The cost of said bridge, with the highway approaches thereto, shall be taken and appropriated from the proceeds of bonds issued under authority of this act.

**Sec. 2. The commission shall charge and collect such tolls for the use and crossing of said bridge by vehicles and other traffic, including pedestrians, as may from time to time be determined and ordered by it, having due regard to the value of the services rendered, the cost of upkeep, maintenance, repairs and operation, and interest on the bonds issued.

**Sec. 3. Treasurer of State to issue bonds.** The Treasurer of State is authorized, under the direction of the Governor and Council, to issue from time to

time serial coupon bonds in the name and in behalf of the State to an amount not exceeding \$3,000,000 for the purpose of raising funds for the construction of said causeways and bridge, as provided in this act.

**Sec. 4. Records of bonds issued to be kept by State Auditor and Treasurer.** The State Auditor shall keep an account of such bonds, showing the number and amount of each, the date of countersigning, the date when payable and the date of delivery thereof to the Treasurer of State, who shall keep an account of each bond, showing the number thereof, the name of the person to whom sold, the amount received for the same, the date of sale and the date when payable.

**Sec. 5. The proceeds of the sale of such bonds, which shall be held by the Treasurer of State and paid by him upon warrants drawn by the Governor and Council, are appropriated to be used solely for the purpose set forth in this act.

Any balance unexpended shall not lapse, but shall be carried forward to the same account to be used only for the purpose set forth herein.

**Sec. 6. Proceeds of bonds not available for other purposes; must be kept from other funds.** The proceeds of all bonds issued under the authority of this act, and the tolls collected thereunder shall at all times be kept distinct from all other moneys of the State and shall not be drawn upon or be available for any other purpose.

**Sec. 7. The interest charges on the bonds issued hereunder, that accrue before sufficient funds are available from tolls to pay them in full, shall be paid from the General Highway Fund until such time as the tolls of the bridge, applicable for the payment of interest, are sufficient for this purpose, and such sums as are necessary for this purpose are appropriated out of the General Highway Fund. All sums so paid shall be returned and repaid to said General Highway Fund from the tolls received on said bridge as soon as the same shall be available.
