STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED
SIXTY-THREE

AN ACT to Allocate Moneys for the Administrative Expenses of the State Liquor Commission for the Fiscal Years Ending June 30, 1964 and June 30, 1965.

Emergency preamble. Whereas, acts and resolves passed by the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the said 90-day period will not terminate until after the beginning of the next fiscal year; and

Whereas, certain obligations and expenses incident to the operation of the State Liquor Commission will become due and payable on or immediately after July 1, 1963; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine, as follows:

Sec. 1. Allocation of Liquor Commission Fund. In order to provide for the necessary expenses for operation and administration of the Maine State Liquor Commission, the following amounts, or as much as may be necessary, are allocated from the revenues derived from the operations of the commission:

	1963-64		1964-65
Personal Services	(329) \$1,492,686	(329)	\$1,506,738
All Other	728,205		730,853
	<hr/> \$2,220,891 <hr/>		<hr/> \$2,237,591 <hr/>

Amounting to \$2,220,891 for the fiscal year ending June 30, 1964 and \$2,237,591 for the fiscal year ending June 30, 1965.

Upon receipt of allotments duly approved by the Governor and Council based upon work programs submitted to the State Budget Officer, the State Controller shall authorize expenditures from these allocations on the basis of such allotments and not otherwise.

Sec. 2. Legislative intent. It is the intent of the Legislature that the allocation of funds by the Legislature, as provided by this act, shall apply to the administrative expenses only of the Liquor Commission and that such allocations shall be allotted and approved under provisions of the Revised Statutes of 1954, chapter 15-A, as amended. It is not intended to affect the use of the Working Capital, provided for by the Revised Statutes of 1954, chapter 61, section 13, or other activities required of the State Liquor Commission by the Revised Statutes of 1954, chapter 61, as amended.

It is further the intent of the Legislature that the figures in parentheses shown just before each dollar amount provided for Personal Services in this act, or as adjusted by other Legislative action, shall represent the total number of authorized permanent positions in such account. The allocations made for Personal Services are made with the proviso that the total number of permanent positions in any account shall not be increased during either year of the biennium over the total numbers shown in parentheses and used by the Legislature in computing the total dollars to be made available for Personal Services. To provide some degree of flexibility, each department, institution or agency may apply to the Personnel Department for an exchange between job classifications, and such action may be approved if by so doing the total amount determined to be available for Personal Services, in such account, for any one year is not exceeded.

Sec. 3. Exclusion. Exclusive of the provisions of sections 1 and 2 above, the commission may expend up to \$50,000 for Capital Expenditures in each year of the 1963-64 and 1964-65 biennium.

Emergency clause. In view of the emergency cited in the preamble, this act shall take effect July 1, 1963.
