Be it enacted by the People of the State of Maine, as follows:

**R. S., T. 5, § 1092, sub-§ 1, amended.** The first 3 sentences of subsection 1 of section 1092 of Title 5 of the Revised Statutes, as amended by chapter 41 of the public laws of 1965, are further amended to read as follows:

Such county, city, town, water district, public library corporation or other quasi-municipal corporation, Maine State Employees Association, Maine State Employees Credit Union, **State**

**Principals Association**, Maine National Guard or Maine Municipal Association, approving the participation of its employees in the retirement system shall thereafter be known for the purposes of this chapter as “a participating local district.” Such county, city, town, water district, public library corporation or other quasi-municipal corporation, Maine National Guard, Maine State Employees Association, or Maine State Employees Credit Union, **or State Principals Association**, or Maine Municipal Association, shall designate in their approval any class of employees, otherwise provided for by local pension provisions, who may be exempted from this chapter.

#### STATEMENT OF FACTS

The State Principals Association is an organization of the secondary school principals of the State of Maine who have united to promote and regulate all educationally valuable interscholastic activities in our secondary schools.

The work of the Association has grown to the point where it has become necessary to employ a full-time executive secretary. This is a highly responsible, professional position and candidates normally would be sought among the secondary school principals of the State.

In order to facilitate the employment of qualified persons who normally would be members of the Maine State Retirement System, this amendment is offered.
