STATE OF MAINE  
SENATE  
106TH LEGISLATURE

SENATE AMENDMENT "B " to S. P. 288, L. D. 835, Bill,  
"AN ACT to Specify the Date for Closing of Open Burning Dumps  
in Maine."

Amend said Bill in the last line before the Statement of  
Fact by inserting before the period the following: 'provided  
this sentence shall not apply to any regulation that prohibits  
the open burning of tires or rubber products'

Statement of Fact

The intent of this amendment is indicated as follows:

The Department of Environmental Protection passed a regulation  
that prohibited the open burning of tires or rubber products  
after July 1, 1973. The regulation was adopted by the Board  
of Environmental Protection January, 1972.

The Department of Environmental Protection has had a great  
deal of success in enforcing this regulation. Failure to continue  
the ban on tire burning would be a step backwards in the State  
of Maine's Air Quality Control Program.
