Further amend the Resolution by striking out everything after the second paragraph and inserting in its place the following:

1. Control of appropriations. Notwithstanding any other provisions
of the Constitution, commencing with any fiscal year after 1979,

year shall not exceed the appropriations, as adjusted, for the prior
year, except for cost-of-living changes, unless a majority of the
voting electors of the State approve a different
amount. Any amount appropriated above this limitation shall not be

If any section, part, clause or phrase in this constitutional amendment is for any reason held invalid or unconstitutional the remaining section shall not be affected but will remain in full force and effect.
