STATEMENT OF FACT

In addition to the corrections made in the original bill, this new draft makes the following changes in several sections of this bill.

Section 1 of the new draft, Title 20, section 222-C, is reorganized into subsections 1, 2 and 3. Subsection 3 is added to clarify the municipality's and the district's responsibilities regarding the cost of hiring competent advisors.

Section 4 of the new draft is necessary because Title 30, section 2061, subsection 3, paragraph B, was amended to change the deadline for filing nomination papers from 21 to 35 days prior to the election. Therefore, the period of time within which a special election must be called needs to be expanded in order to have adequate time to hold the election following filing of nomination papers. Title 20, section 302, requires that the director be nominated in accordance with Title 30, chapter 207, which includes section 2061, subsection 3, paragraph B.

In section 5 of the new draft, Title 20, section 301, Method A, subsection 6, is amended. It is necessary to amend this section to reduce the availability of nomination papers from 40 days, as set forth in Title 30, section 2061, subsection 3, to 10 days. There is precedent in

section 2061, subsection 3, paragraph B, to reduce the time frame from 40 days to 10 days when a vacancy has to be filled in a municipal office.

Section 6 of the new draft removes a conflict: Title 20, section 301, subsection 7, conflicted with section 301-A. Since section 301-A was more recently enacted, it is the method that should control.
