**FISCAL NOTE**

This bill may result in the expansion of the Capital Riverfront Improvement District, but it does not affect the cap on the amount of securities that the district may issue.

An increase in the number of members in the governing board, if approved by the governing board, may increase the costs incurred by the State for participation in governing board activities. Any costs associated with this additional participation are expected to be minor and can be absorbed by the affected state agencies.'

**SUMMARY**

This amendment is the majority report. It requires the district governing board to elect cochaIRS. The amendment also deletes a reporting requirement on the district master plan to the Joint Standing Committee on State and Local Government. It also adds a fiscal note to the bill.
