State Mandate

New or Expanded Activity

Requiring school administrative units to develop and approve a regional plan for a common school calendar by September 2005 is a mandate. The cost to each school administrative unit can not be determined at this time but is not expected to be significant. Pursuant to the Mandate Preamble, the two-thirds vote of all members elected to each House exempts the State from the constitutional requirement to fund 90% of the additional local costs.
