Fiscal Note Required: Yes

Minority Report

Fiscal Note

Potential future biennium cost increase - All Funds

Minor cost increase - General Fund

Fiscal Detail and Notes

Failure to authorize the rule establishing the process for determining the health care Capital Investment Fund could delay or prevent implementation of the Fund and result in increased future biennium costs to the MaineCare and State Employee Health programs. The additional administrative costs associated with not authorizing this major substantive rule can be absorbed by the Executive Department utilizing existing budgeted resources.
