**STATE OF MAINE
HOUSE OF REPRESENTATIVES
122ND LEGISLATURE
FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT "A" to H.P. 136, L.D. 185, Bill, "An Act To Amend the Law on Mercury-added Products"

Amend the bill in section 3 in subsection 1 by striking out all of the last blocked paragraph (page 1, lines 44 and 45 in L.D.) and inserting in its place the following:

'This subsection does-not-apply applies to mercury-added lamps effective January 1, 2006, except that it does not apply to products containing mercury-added lamps. The manufacturer of a mercury-added lamp is in compliance with this subsection if the manufacturer labels all mercury-added lamps sold in this State in compliance with similar requirements adopted by another state.'

SUMMARY

This amendment exempts products that contain mercury-added lamps from the labeling requirement. It also provides that compliance with the labeling requirement can be met by complying with similar requirements adopted by another state.
