#### Fiscal Detail and Notes

This bill includes a General Fund appropriation of \$10,000 in fiscal year 2006-07 for the Margaret Chase Smith Center for Public Policy within the University of Maine System to establish and administer the County and Local Government Internship program. However, based on the actual costs of another internship program currently administered by the Margaret Chase Smith Center, the University has indicated that this level of funding may not be sufficient to fully support the cost of this program.
