34 SUMMARY

The purpose of this bill is to protect woodland owners by requiring anyone harvesting wild mushrooms or fiddleheads commercially to have written permission or a bill of sale from the landowner before harvesting or transportation. The permission requirements and enforcement provisions of this bill are the same as currently exist in Maine law for commercial harvesting of Christmas trees and boughs for wreaths. The bill also authorizes the Department of Health and Human Services to decline to certify or revoke

- the certification under the Maine Wild Mushroom Harvesting Certification Program of any person found in violation of the prohibition. 1
