Whereas, Wildlife Management District 27 consists of many coastal towns and coastal islands containing many of the State's blueberry barrens in Washington County and Hancock County; and

Whereas, the wild blueberry industry is critically important to the Maine economy and the Downeast region in particular; and

Whereas, a spring turkey hunting season in Wildlife Management District 27 would expand opportunities for hunters; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Wildlife Management District 27 open for 2013 spring turkey hunting season. Resolved: That, notwithstanding any other provision of law or rule, except as provided in this section, in 2013, an open spring season is established for the
