32 **SUMMARY**

33 This bill amends the eligibility requirements for slot machine operator licensing for a
34 commercial track located within a 3-mile radius of a commercial track that supports track
35 and harness racing. The bill eliminates the deadline for local approval of the operation of
36 slot machines at a commercial track facility that is currently without slot machines and
37 requires approved slot machines to be located in a building adjacent to the harness racing
38 oval. It increases the amount of slot machines allowed in the State from 3,000 to 4,500
39 and subjects the slot machines to the existing racino taxes and regulatory system.
