voted to join the district and 2 who are appointed by the City Council of Waterville. The terms of the first board must be staggered as established by random selection: one director from a town serves for a term of one year; one director from a town serves for a term of 2 years; one director from a town serves for a term of 3 years; one director from a town serves for a term of 5 years. One director from the City of Waterville serves for a term that expires at the city council meeting one year after the date of the city council meeting at which the director was appointed, and the other director from the City of Waterville serves for a term that expires at the city council meeting 2 years. A director from the City of Waterville or from a town that has joined the district is appointed in the year the office becomes vacant pursuant to the same schedule pursuant to this section. For a board that has an even number of directors, if there is a tie vote on any matter, one of the directors from the City of Waterville shall break the tie by casting an additional vote.

16 Sec. 3. Vacancies on board of directors. Vacancies occurring on the board are 17 filled by appointment by the municipal officers of the town or city where the vacancy 18 occurred. All directors are eligible for reappointment, but a municipal officer of the City 19 of Waterville or of a town is not eligible to be a director. The election or appointment of 20 a director as a municipal officer of a city or town terminates the term of that director, and 21 the vacancy caused by the termination is filled as provided in this section.

Sec. 4. Compensation. A director is not entitled to compensation for services,
 except that compensation for a director may be provided by a legal vote of the municipal
 officers of each member city or town.

25 Sec. 5. Treasurer; chair. The board shall elect a treasurer and chair from among 26 its members to serve terms established by the board and serve until their respective 27 successors are elected and qualified. The board shall fix the compensation for the 28 treasurer.

Sec. 6. Annual audit. An annual audit must be made of the district's accounts within 60 days after the end of each fiscal year. The audit must be made by an individual or firm recognized as a competent auditor by training and experience or by a qualified public accountant.

33 Sec. 7. Annual report of directors. At the end of each fiscal year and following 34 the audit pursuant to section 6, the board shall make a detailed report that includes the 35 activities, receipts and expenditures, the financial and physical condition and any other 36 matters of the district, including how the board is fulfilling its duties and obligations. The 37 report must also include the auditor's report and be filed with the municipal officers of the 38 towns and published in the annual reports of the towns.

39 Sec. 8. Rules. The board has the authority to adopt rules for the management and
 40 operation of the district.

41 Sec. 9. Powers. All powers, rights and privileges incidental or necessary to the 42 accomplishment of the purposes of this Act are granted to the district.

Sec. 10. Money of the district. All money received from the district's natural gas activities and other receipts, notes or other sources in connection with the district's authorized activities must be deposited in banks or depositories as the board determines, in accounts entitled "Kennebec Regional Gas District," and all withdrawals from the accounts must be over or upon the orders or warrants of the board and must be directed to the treasurer. The treasurer shall execute and carry out all orders and warrants.

Sec. 11. Directors; revenues. All revenues received by the district from its activities, contracts with gas providers or other business partners or from grants or other sources must be used for the following purposes:

1. To pay the current expenses of operating and maintaining the district and its activities;

2. To provide for the payment of principal and interest on the indebtedness of the district, if any;

3. To provide each year a sum equal to not less than 2 1/2% nor more than 4% of the book value of the depreciable assets of the district determined as of the close of the preceding fiscal year, which must be turned into a sinking fund and used to provide for repairs, replacements and improvements to the district's offices and operations, including any facilities of the district that use natural gas to cogenerate electric power and other useful energy; and

4. To provide and accumulate from year to year reasonable surplus funds to carry out
the general purposes of the district, as may be necessary or desirable in the sole discretion
of the board. At the option of the board, any accumulated surplus may be deposited in
the sinking fund under this section.

24 Sec. 12. Subject to other laws. Nothing contained in this Act is intended to 25 repeal nor may be construed as repealing any existing statute.

Sec. 13. Superintendent appointment; removal. The board may appoint a superintendent of the district. The superintendent is selected solely on the basis of the superintendent's administrative qualifications with special preference to actual experience in or knowledge of energy matters. The board shall determine the superintendent's compensation.

The superintendent holds office for an indefinite term unless otherwise specified by contract. The superintendent may be removed or suspended for cause by the board in accordance with the following procedures.

The board shall prepare a written preliminary resolution for the board action
 setting forth the specific reasons for the proposed removal, a copy of which must be
 delivered to the superintendent within 10 days of its completion.

37 2. The superintendent may, within 20 days of receiving the resolution, reply in
38 writing and may request a public or private hearing.

39 3. Upon receiving a request for a hearing, the board shall hold a hearing not earlier
40 than 10 days and not later than 30 days after the request is filed.

Page 3 - 126LR1177(02)-1

COMMITTEE AMENDMENT "A" to H.P. 1036, L.D. 1442

4. After the hearing or at the expiration of the time permitted the superintendent to request a hearing, if no request is made, the board may adopt or reject the resolution.

5. The board may suspend the superintendent from duty in the preliminary resolution, but the superintendent's salary may not be affected until the final resolution has been adopted.

Sec. 14. Procedure to join district. A town eligible to be included with the district pursuant to section 1 may be included with the district if the town votes by a majority vote at a meeting legally called and held to join the district. The town meeting must be called, advertised and conducted according to the law relating to municipal elections, except that the registrar of voters is not required to prepare, nor the clerk to post, a new list of voters, and for the purpose of registration of voters the registrar of voters must be in session on the secular day next preceding the regular or special meeting. The municipal clerk shall prepare the ballots on which the following question must appear:

"Do you favor the Town of (insert name of town) being included within the Kennebec Regional Gas District?"

The voters shall indicate their choice by a cross or check mark placed below the word
"Yes" or "No."

19 The town is included in the district immediately upon its acceptance by a vote of 2/320 of the voters voting in the election, as long as the total number of votes cast equals or exceeds 15% of the total votes cast for all candidates for Governor in the town at the 21 22 preceding gubernatorial election. Failure of approval by the necessary percentage of voters at any meeting does not prevent a subsequent meeting or meetings from being held 23 24 for the same purpose. The result of the vote must be declared by the municipal officers of 25 the town, and due certification must be filed by the town clerk with the Secretary of 26 State.'

27

SUMMARY

28 This amendment replaces the bill. This amendment establishes the Kennebec 29 Regional Gas District to assist and help coordinate with the provision of natural gas from 3rd-party suppliers or distributors of natural gas to the citizens, organizations and 30 31 businesses of the district, including through grants, loans or other financial assistance; to 32 assist in aggregating customers for the purpose of procuring natural gas supply to 33 customers within the district who elect to participate in such aggregation; to provide 34 grants, loans or other financial assistance to residential and commercial customers in the 35 district to obtain natural gas or to assist such customers with natural gas conversions; to 36 own, operate or assist in the development or operation of one or more facilities that use 37 natural gas to cogenerate electric power and other useful energy; and to manage the 38 district.
