1	L.D. 1686
2	Date: $4/15/14$ (Filing No. S- 527)
3	Reproduced and distributed under the direction of the Secretary of the Senate.
4	STATE OF MAINE
5	SENATE
6	126TH LEGISLATURE
7	SECOND REGULAR SESSION
8 9	SENATE AMENDMENT "A" to COMMITTEE AMENDMENT "B" to H.P. 1209, L.D. 1686, Bill, "An Act To Address Preventable Deaths from Drug Overdose"
10 11	Amend the amendment in section 1 by striking out all of §2353 (page 1, lines 25 to 32 and page 2, lines 1 to 9 in amendment) and inserting the following:
12	§2353. Naloxone hydrochloride
13 14	1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.
15 16	A. "Health care professional" means a person licensed under Title 32 who is authorized to prescribe naloxone hydrochloride.
17 18	B. "Immediate family" has the same meaning as set forth in Title 21-A, section 1, subsection 20.
19 20 21 22 23 24	C. "Opioid-related drug overdose" means a condition including, but not limited to, extreme physical illness, decreased level of consciousness, respiratory depression, coma or death resulting from the consumption or use of an opioid, or another substance with which an opioid was combined, or a condition that a reasonable person would believe to be an opioid-related drug overdose that requires medical assistance.
25 26	2. Prescription; possession; administration. The prescription, possession and administration of naloxone hydrochloride is governed by this subsection.
27 28	A. A health care professional may prescribe naloxone hydrochloride to an individual at risk of experiencing an opioid-related drug overdose.
29 30 31 32 33	B. An individual to whom naloxone hydrochloride is prescribed in accordance with paragraph A may provide the naloxone hydrochloride so prescribed to a member of that individual's immediate family to possess and administer to the individual if the family member believes in good faith that the individual is experiencing an opioid-related drug overdose.
4 5 6	C. A health care professional may prescribe naloxone hydrochloride to a member of an individual's immediate family for administration to the individual in the event of an opioid-related drug overdose if:

Page 1 - 126LR2626(08)-1

1 2	(1) The health care professional has an established health care professional-patient relationship with the individual; and
3	(2) The individual is at risk of experiencing an opioid-related drug overdose.
4	A health care professional who prescribes naloxone hydrochloride to a member of an
5	individual's immediate family in accordance with this paragraph shall document in
6	the individual's patient medical record the name of each family member who receives
7 8	such a prescription and the health care professional's intention that the naloxone hydrochloride be administered to the individual.
9	D. If a member of an individual's immediate family is prescribed naloxone
10	hydrochloride in accordance with paragraph C, that family member may administer
11	the naloxone hydrochloride to the individual if the family member believes in good
12	faith that the individual is experiencing an opioid-related drug overdose.
13	Nothing in this subsection affects the provisions of law relating to maintaining the
14	confidentiality of medical records.
15	3. Authorized administration of naloxone hydrochloride by law enforcement
16	officers and municipal firefighters. A law enforcement officer as defined in Title 17-A,
17	section 2, subsection 17, in accordance with policies adopted by the law enforcement
18	agency, and a municipal firefighter as defined in Title 30-A, section 3151, subsection 2,
19	in accordance with policies adopted by the municipality, may administer intranasal
20	naloxone hydrochloride as clinically indicated if the officer or firefighter has received
21	medical training in accordance with protocols adopted by the Medical Direction and
22	Practices Board established in Title 32, section 83, subsection 16-B. The Medical
23	Direction and Practices Board shall establish medical training protocols for law
24	enforcement officers and municipal firefighters pursuant to this subsection.'
25	SUMMARY
26 27	This amendment retains the provisions in House Amendment "A" to Committee Amendment "B" except in the following manner:
28 29	1. It removes authorization for emergency medical personnel to administer naloxone hydrochloride; and
30 31 32	It provides that law enforcement officers and municipal firefighters may administer intranasal naloxone hydrochloride only if they have received medical training as determined by the Medical Direction and Practices Board.
