SUMMARY

Current law provides that the Maine Revised Statutes, Title 5, chapter 153, subchapter 1 relating to bids and contracts for public improvement projects does not apply to contracts for transportation-related services and contracts for construction and maintenance that, by law, are under the supervision of the Department of Transportation. This amendment clarifies that Title 5, chapter 153, subchapter 1 also does not apply to contracts for transportation-related services and contracts for construction and maintenance that, by law, are under the supervision of the Maine Turnpike Authority.
