	l4 to 16
transported by the railroad company in this State, the routes of hazardous materials operations on those rouse are in the possession of a state or local emergency management entity enforcement agency, a fire department or other first responder. For the purp this paragraph, "hazardous material" has the same meaning as set forth in 49 Federal Regulations, Section 105.5."	naterials utes that or law poses of
SUMMARY	
This amendment clarifies that the exception to the definition of "public proposed in the bill is limited to records provided by a railroad company that of hazardous materials that are transported by the railroad company, the routes hazardous materials shipments and the frequency of the hazardous materials op on those routes when those records are in the possession of state or local em management entities or law enforcement agencies, fire departments or oth responders. The amendment also provides that "hazardous material" has the definition as in 49 Code of Federal Regulations, Section 105.5.	describe of the erations ergency er first
