26 **SUMMARY**

27 This bill repeals 2 provisions of Public Law 1999, chapter 352 that require the  
28 Commissioner of Conservation to sell all bulletproof vests, firearms and related  
29 equipment and that prohibit the commissioner from purchasing bulletproof vests, firearms  
30 or related equipment without specific authorization by the Legislature. This bill requires  
31 the Director of the Bureau of Forestry within the Department of Agriculture,  
32 Conservation and Forestry to develop and institute a policy that requires all forest rangers  
33 to attend and complete a law enforcement training course at the Maine Criminal Justice  
34 Academy as a condition of employment. A forest ranger who has already attended a law  
35 enforcement training course at the Maine Criminal Justice Academy is exempt.

36 The bill also requires the state supervisor of the forest protection unit in the Bureau of  
37 Forestry and the Director of the Maine Criminal Justice Academy to develop a plan to  
38 provide training to forest rangers in the use of firearms, bulletproof vests and other  
39 related equipment. The state supervisor is directed to develop a plan to furnish such

1 firearms and equipment to those forest rangers for the performance of their law  
2 enforcement duties. The plans must be submitted to the Joint Standing Committee on  
3 Agriculture, Conservation and Forestry and the Joint Standing Committee on Criminal  
4 Justice and Public Safety for review no later than November 1, 2015 and implemented,  
5 including furnishing firearms and related equipment, no later than January 1, 2017.
