3 amended to read:

4 **1. Alcohol-related or other drug-related motor vehicle incident.** "Alcohol-related
5 or other drug-related motor vehicle incident" means a conviction or administrative action
6 resulting in the suspension of a motor vehicle operator's license for a violation under
7 former Title 29, section 1311-A; Title 29, section 1312, subsection 10-A; Title 29, section

13 paragraphs B, C and D and subsection 4; Title 29-A, section 2503; Title 29-A, sections
14 2521 to 2523; or Title 29-A, section 2525 or the rules adopted by the Department of the
15 Secretary of State for the suspension of commercial drivers' licenses.

16 **Sec. 2. 29-A MRSA §2401, sub-§12-A** is enacted to read:

17 **12-A. THC level.** "THC level" means the amount, in nanograms, of delta-9-
18 tetrahydrocannabinol contained in a milliliter of blood.

19 **Sec. 3. 29-A MRSA §2432**, as amended by PL 2013, c. 459, §4, is further
20 amended to read:

21 **§2432. Alcohol level; THC level; confirmed positive drug or metabolite test results;**
22 **evidentiary weight**

23 **1. Level less than 0.05 grams.** If a person has an alcohol level of 0.05 grams or less
24 of alcohol per 100 milliliters of blood or 210 liters of breath, it is prima facie evidence
25 that that person is not under the influence of alcohol.

26 **2. Level greater than 0.05 grams and less than 0.08 grams.** If a person has an
27 alcohol level in excess of 0.05 grams of alcohol but less than 0.08 grams of alcohol per
28 100 milliliters of blood or 210 liters of breath, it is admissible evidence, but not prima
29 facie, indicating whether or not that person is under the influence of intoxicants to be
30 considered with other competent evidence, including evidence of a confirmed positive
31 drug or metabolite test result.

32 **3. Level of 0.08 grams or greater.** In proceedings other than under section 2411, a
33 person is presumed to be under the influence of intoxicants if that person has an alcohol
34 level of 0.08 grams or more of alcohol per 100 milliliters of blood or 210 liters of breath.

35 **4. Confirmed presence of drug or drug metabolite.** If a person has a trace amount
36 of any drug or the metabolites of any drug within the person's blood or urine in
37 accordance with the drug reporting rules, standards, procedures and protocols adopted by
38 the Department of Health and Human Services, it is admissible evidence, but not prima

1 facie, indicating whether that person is under the influence of intoxicants to be considered
2 with other competent evidence, including evidence of alcohol level.

3 **5. THC level of 5 nanograms or greater.** Proof that a person has a THC level of 5
4 nanograms or more gives rise to a permissible inference under the Maine Rules of
5 Evidence, Rule 303 that the person is under the influence of intoxicants.

6 **6. Level of THC and alcohol in combination.** Proof that a person has a THC level
7 of 2 nanograms or more and an alcohol level of 0.05 grams or more of alcohol per 100
8 milliliters of blood or 210 liters of breath gives rise to a permissible inference under the
9 Maine Rules of Evidence, Rule 303 that the person is under the influence of intoxicants.

10 **Sec. 4. 29-A MRSA §2432-A** is enacted to read:

11 **§2432-A. Preliminary breath testing devices**

12 **1. Use of preliminary breath testing devices permitted.** A law enforcement
13 officer who possesses basic certification as a full-time law enforcement officer pursuant
14 to Title 25, section 2804-C, subsection 1 who reasonably believes that a person has been
15 operating a motor vehicle under the influence of intoxicants may request, without making
16 an arrest, that the person submit to a preliminary breath test to determine the person's
17 alcohol level, which, in addition to other relevant evidence, the officer may use to
18 determine whether there is probable cause to believe that person was operating a motor
19 vehicle while under the influence of intoxicants.

20 **2. Approved devices; training.** A law enforcement officer may administer a
21 preliminary breath test only using a preliminary breath testing device that has been
22 approved by the National Highway Traffic Safety Administration and evaluated by the
23 Department of Health and Human Services. Prior to administering a preliminary breath
24 test using an approved device, an officer must be properly trained in the use of the device
25 through a training course approved by the Board of Trustees of the Maine Criminal
26 Justice Academy.

27 **3. Admissibility of results.** A result of a test administered pursuant to this section is
28 admissible in evidence in any court or administrative hearing in determining whether
29 there is probable cause to believe a person was operating a motor vehicle while under the
30 influence of intoxicants.

31 **4. Failure as evidence.** Failure of a person to submit to a preliminary breath test is
32 not admissible in evidence on the issue of whether a person was operating under the
33 influence of intoxicants. Any other evidence bearing on the issue of whether the person
34 was operating under the influence of intoxicants is admissible, even if a person fails to
35 submit to a preliminary breath test or the results of such a test are not available for any
36 reason.

37 **5. Preliminary breath test not mandatory; subsequent test for intoxicants**
38 **permitted.** A preliminary breath test is not mandatory, and a law enforcement officer's
39 request to submit to such a test may be declined. A person who submits to a preliminary

1 breath test is not relieved of the duty to submit to and complete a further test pursuant to
2 subchapter 4.

3 **Sec. 5. 29-A MRSA §2472**, as amended by PL 2013, c. 496, §16, is further
4 amended to read:

9 license remains in force as a nonprovisional license to the next normal expiration date. A
10 license issued by another jurisdiction to a person who has not yet attained the age of 21
11 years is a provisional license for the purpose of operating a motor vehicle within this
12 State.

13 A license of a person who has not yet attained 21 years of age includes the condition that
14 the person not operate a motor vehicle with an alcohol level of more than 0.00 grams per

16 21 years of age operates a motor vehicle with an alcohol level of more than 0.00 grams
17 per 100 milliliters of blood or 210 liters of breath, the provisions of section 1251,

23 paragraph B apply, except that it is an affirmative defense that the THC level resulted
24 from marijuana use in compliance with Title 22, chapter 558-C.

25 **2. Suspension terms for moving violations.** If a person who has not yet attained
26 the age of 21 years is convicted or adjudicated of a moving motor vehicle violation that

35 attained the age of 18 years does not have a right to a hearing.

36 **2-A. Driver improvement program.** A person whose license is suspended pursuant
37 to subsection 2 shall complete a minimum of 4 hours of a driver improvement program
38 approved by the Secretary of State before the suspension may be terminated.

1 subsection 3, must successfully complete an examination pursuant to section 1301,
2 subsection 4 as prescribed by the Secretary of State within 90 days after that license is
3 restored. Failure to successfully complete the examination results in a subsequent
4 suspension.

6 **under the influence of drugs.** The Secretary of State shall suspend, without preliminary
7 hearing, a juvenile provisional license of a person who:

14 compliance with Title 22, chapter 558-C.

15 **3-A. Juvenile provisional license; suspension for OUI conviction or certain**
16 **alcohol or THC level.** Unless a longer period of suspension applies, the Secretary of

23 180 days must be imposed.

24 **4. Duty to submit to test.** A person under 21 years of age who operates a motor
25 vehicle shall submit to a chemical test if there is probable cause to believe that person has
26 operated a motor vehicle with an alcohol level of more than 0.00 grams per 100 milliliters
27 of blood or 210 liters of breath or with a THC level of more than 0.00 nanograms or
28 while under the influence of a specific category of drug, a combination of specific
29 categories of drugs or a combination of alcohol and one or more specific categories of
30 drugs. The provisions of subchapter 4 apply, except the suspension is:

38 of the hearing. The scope of a hearing must include whether:

1 A. There was probable cause to believe that the person was under 21 years of age
2 and operated a motor vehicle with an alcohol level of more than 0.00 grams per 100
3 milliliters of blood or 210 liters of breath or with a THC level of more than 0.00

10 marijuana use in compliance with Title 22, chapter 558-C or with a confirmed
11 positive blood or urine test for a drug or its metabolite and was under the influence of
12 the confirmed drug; and

13 C. The person was under 21 years of age.
