**SUMMARY**

This amendment makes several changes to the requirement that the Director of the Bureau of Alcoholic Beverages and Lottery Operations within the Department of Administrative and Financial Services certify financial information related to administration of the State's spirits business and the bureau's oversight of the manufacture, distribution and sale of liquor in the State monthly. The amendment requires that the director make those monthly certifications to the State Liquor and Lottery Commission in addition to the Commissioner of Administrative and Financial Services, as is current practice. The amendment also repeals a duplicative reporting requirement.
