EDUCATION, DEPARTMENT OF

Alternative Breakfast Delivery Service Program N318

Initiative: Provides funding in fiscal year 2019-20 and in fiscal year 2020-21 only to school administrative units that start or expand alternative breakfast delivery services that provide breakfast after the start of the school day. A school administrative unit with a public school in which at least 50% of students qualified for a free or reduced-price lunch during the preceding school year qualifies for funding. The department is required to develop guidelines to allocate and disburse the funding to participating schools. Guidelines must be developed within 90 days following the effective date of this Act. Funding appropriated to this program does not lapse but must be carried forward into the next fiscal year to be used only for the purpose for which it was provided.

Fiscal Detail and Notes

This amendment eliminates the ongoing General Fund appropriations in the bill of \$500,000 per year beginning in fiscal year 2019-20 to the School Finance and Operations program within the Department of Education to provide funding to those school administrative units that start or expand alternative breakfast delivery services that provide breakfast after the start of the school day. Instead, this amendment provides "one-time" General Fund appropriations of \$500,000 per year in both fiscal years 2019-20 and 2020-21 only to a newly created Alternative Breakfast Delivery Service program within the department to be used for the same purpose. The funds do not lapse, but must be carried forward into the next fiscal year.
