32 **SUMMARY**

33 This bill removes a requirement that rules adopted by the Commissioner of Education
34 governing due process hearings include a maximum period within which due process
35 hearings and appeals may be requested. It provides that an action against a school
36 administrative unit to recover the costs of a unilateral special education placement in a
37 private school may be commenced only by requesting a due process hearing within 90

1 days of the placement. It also provides that rules adopted by the Commissioner of
2 Education governing the procedures for conducting due process hearings must include
3 procedures for discovery, including rules for the production of documents.
