COMMITTEE AMENDMENT

1 Amend the bill by relettering or renumbering any nonconsecutive Part letter or  
2 section number to read consecutively.

3 **SUMMARY**

4 This amendment clarifies the definition of "pregnancy-related condition" to provide  
5 that the limitation on the pregnant employee's ability to perform the functions of a job due  
6 to pregnancy, childbirth or related medical conditions, including lactation, must be  
7 known.

8 The amendment revises the description of unlawful employment discrimination to  
9 apply to an employer's failure to provide a reasonable accommodation after it has been  
10 requested. An exception to the reasonable accommodation requirement is based on the  
11 employer's demonstration that the accommodation would impose an undue hardship on  
12 the operation of the business of the employer.

13 The amendment provides examples of reasonable accommodations.
