FIRST REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 711, L.D. 956, Bill, "An Act To Allow Student License Holders To Fish for or Take Lobsters during a Closed Season"

Amend the bill by striking out the title and substituting the following:

'An Act To Allow Student License Holders in the Monhegan Lobster Conservation Area To Fish for or Take Lobsters during a Closed Season'

Amend the bill by striking out everything after the title and inserting the following:

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, it is important for a student license holder to gain experience during the summer months when it is safer to fish and when that license holder is not in school; and

Whereas, it is necessary that this legislation take effect by June 26, 2019 in order for a student license holder in the Monhegan Lobster Conservation Area to be able to fish for or take lobster during the interim between school years; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

SUMMARY

This amendment strikes and replaces the title and bill.

Like the bill, this amendment allows a person with a student lobster and crab fishing license to fish for or take lobster during a closed season on fishing for or taking lobsters if that closed season occurs during an interim between school years, except this amendment limits the permission to a student license holder issued trap tags to fish only in the Monhegan Lobster Conservation Area and that student may fish only during the closed season in the Monhegan Lobster Conservation Area. This amendment changes the number of Monhegan Lobster Conservation Area trap tags that may be issued by the commissioner to a student license holder from 15 to 10 for a student license holder if that person is 8 years of age or older and under 11 years of age; 25 for a student license holder if that person is 11 years of age or older and under 14 years of age; and 50 for a student license holder if that person is 14 years of age or older and under 23 years of age.

This amendment also adds an emergency preamble and emergency clause so that this legislation will take effect in time for a Monhegan Lobster Conservation Area student license holder to fish for lobster during the summer months.

Fiscal Detail and Notes

This bill allows the holder of a student lobster and crab fishing license who has been issued trap tags to fish in the Monhegan Lobster Conservation Area (MLCA) during the closed season if that closed season occurs during an interim between school years. The bill also specifies that the age of the licensee determines the number of trap tags issued to student lobster and crab fishing licensees who fish in the MLCA. Due to the limited number of student lobster and crab fishing licensees who fish in the MLCA, any additional costs to the Department of Marine Resources to implement the provisions of this bill are anticipated to be minor and can be absorbed within existing budgeted resources.
