1 **Emergency preamble. Whereas,** acts and resolves of the Legislature do not
2 become effective until 90 days after adjournment unless enacted as emergencies; and

3 **Whereas,** the Maine Seed Capital Tax Credit Program promotes the growth of new
4 and existing small businesses in the State, which results in increased job opportunities for
5 Maine residents, produces more spending in the State and increases municipal tax bases;
6 and

7 **Whereas,** the total amount of tax credits available to investors is limited on a
8 calendar year basis; and

9 **Whereas,** for calendar year 2019, the limit has already been reached; and

10 **Whereas,** without an immediate increase in the limit on available tax credits,
11 investment in Maine businesses could suffer; and

12 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
13 the meaning of the Constitution of Maine and require the following legislation as
14 immediately necessary for the preservation of the public peace, health and safety; now,
15 therefore,

16 **Be it enacted by the People of the State of Maine as follows:**

17 **Sec. 1. 10 MRSA §1100-T, sub-§2, ¶¶A and B,** as amended by PL 2013, c.

21 actually invested in an eligible Maine business in any calendar year or in an amount
22 not more than 60% of the amount of cash actually invested in any one calendar year
23 in an eligible Maine business located in a high-unemployment area, as determined by
24 rule by the authority. For investments made in tax years beginning on or after

31 in any calendar year. For investments made after April 1, 2019, a tax credit
32 certificate may be issued to an investor other than a private venture capital fund in an
