4 This bill is a concept draft pursuant to Joint Rule 208.

5 This bill proposes to direct the Department of Health and Human Services and the
6 Department of Corrections to determine the current need for forensic emergency and

- 11 2. The number of individuals currently awaiting placement pretrial;
- 12 3. The annual average number of individuals needing forensic services pretrial;
- 13 4. Proposals to address unmet needs and associated costs; and
- 14 5. Other factors that would lessen wait times for placements and provide needed
15 mental health services to individuals pretrial.
