1 apparatuses. It removes the changes to the requirement to distribute educational
2 materials. It removes the requirement to distribute naloxone hydrochloride and other
3 safer drug use supplies. Instead of requiring that a hypodermic apparatus exchange
4 program have a board, the amendment requires a program to have a process or system to
5 regularly seek input from persons with a history of drug use. The amendment also makes
6 changes to the allocation of funds appropriated for hypodermic apparatus exchange
7 programs. The amendment also adds an appropriations and allocations section.
