Fiscal Note for Bill as Amended by Committee Amendment

*A(H-505)*

Committee: Education and Cultural Affairs

Fiscal Note Required: Yes

### Fiscal Note

No change to debt service limit - major capital school construction projects

#### Fiscal Detail and Notes

This legislation will not impact the total cost of public education from kindergarten to grade 12 or the State's share of that cost. School management and leadership centers will follow the same approval process as school administrative units for major capital projects in order to receive state funding and the statutory debt service ceiling for state-funded major capital construction projects will not change due to the provisions in this bill.
