10 **SUMMARY**

11 This bill amends the motorcycle rider education laws to clarify that a person who  
12 completes a motorcycle rider education course approved by the Secretary of State on a 2-  
13 wheel motorcycle may operate a 2-wheel or 3-wheel motorcycle and that a person who  
14 completes a motorcycle rider education course approved by the Secretary of State on a 3-  
15 wheel motorcycle may only operate a 3-wheel motorcycle. A person who holds a  
16 motorcycle learner's permit and who completes a motorcycle road test administered by  
17 the Secretary of State on a 3-wheel motorcycle is also restricted to the operation of a 3-  
18 wheel motorcycle. The bill requires motorcycle rider education schools to be licensed,  
19 submit to inspections and establish a place of business.

20 The bill also amends the driver education program laws to require that the 2  
21 instructors who serve on the Secretary of State's Technical Review Panel be licensed in  
22 the curriculum and training being reviewed. The bill removes the authorization for the  
23 State to bring an action in Superior Court to enjoin a person from violating the driver  
24 education laws, as the penalties under those laws are administered by the District Courts.
