**COMMITTEE AMENDMENT**

R. & S.

- 1           G. "Likelihood of foreseeable harm" means a substantial risk in the foreseeable  
2           future of serious physical harm to the person as manifested by recent behaviors or  
3           threats of, or attempts at, suicide or serious self-inflicted harm; or a substantial risk in  
4           the foreseeable future of serious physical harm to other persons as manifested by  
5           recent homicidal or violent behavior or by recent conduct or statements placing  
6           others in reasonable fear of serious physical harm.
- 7           H. "Medical practitioner" has the same meaning as in section 3801, subsection 4-B.
- 8           I. "Prohibited person" means a person subject to Title 15, section 393, subsection 1,  
9           paragraph E-1 or E-2.
- 10          J. "Protective custody" means protective custody under section 3862.
- 11          K. "Restricted person" means a person taken into protective custody by a law  
12          enforcement officer who the officer has probable cause to believe possesses or  
13          controls or may acquire a dangerous weapon and who is found by a medical  
14          practitioner to present a likelihood of foreseeable harm.
- 15          L. "Threat-based restriction" means a prohibition on a restricted person from  
16          purchasing, possessing or controlling or attempting to purchase, possess or control a  
17          dangerous weapon during the period of the restriction.
- 18          **2. Protective custody; assessment by a medical practitioner; security; immunity.**  
19          Law enforcement may take a person into protective custody on probable cause to believe  
20          that the person presents a likelihood of foreseeable harm.
- 21          A. Notwithstanding any provision of law to the contrary, the law enforcement officer  
22          shall provide to the medical practitioner the information that led to the protective  
23          custody including, but not limited to, the information that gave rise to the probable  
24          cause determination, the person's pertinent criminal history record information and  
25          other known history and recent or recurring actions and behaviors.
- 26          B. The medical practitioner under paragraph A shall assess whether the person  
27          presents a likelihood of foreseeable harm. In assessing the person, a medical  
28          practitioner may consult with other medical professionals as the medical practitioner  
29          determines advisable. If the medical practitioner finds that the person can benefit  
30          from treatment and services, the medical practitioner shall refer the person to  
31          treatment and services.
- 32          C. Notwithstanding any provision of law to the contrary, an assessment pursuant to  
33          this section may be performed at a health care facility but, when available and as  
34          appropriate, must be performed at an alternative location. If the assessment is  
35          provided at a health care facility, law enforcement shall, upon request of the facility  
36          and consistent with section 3863, subsection 2-A, absent compelling circumstances,  
37          assist the facility with the security of the person awaiting the assessment under this  
38          section.
- 39          D. A juvenile, as defined in Title 15, section 3003, subsection 14, who is subject to  
40          this section may be accompanied at the assessment by a parent, guardian,  
41          grandparent, aunt or uncle or a sibling who has attained the age of 18, whose  
42          company is requested by the juvenile, who is timely available and whose  
43          accompaniment is practicable.

1 E. A medical practitioner and any other medical or mental health professional  
2 consulted by the medical practitioner are not liable in a civil action brought by any  
3 person for any act performed in good faith in execution of the obligations imposed on  
4 medical practitioners by this section, including any decision regarding the affirmative  
5 or negative assessment of the likelihood of foreseeable harm. The immunity  
6 provided in this paragraph also applies to a principal if the medical practitioner or  
7 professional is acting as an agent or employee of the principal.

8 F. Assessments under this section qualify for the same payment of private or public  
9 insurance applicable to section 3863 assessments.

10 **3. Notification by medical practitioner and judicial endorsement.** A medical  
11 practitioner shall notify in writing the law enforcement officer or law enforcement agency  
12 that, based on the assessment under subsection 2, paragraph B, the person is found to  
13 present a likelihood of foreseeable harm. If so notified, the law enforcement officer or  
14 law enforcement agency shall as soon as practicable seek endorsement by a Superior  
15 Court Justice, District Court Judge, judge of probate or justice of the peace of the medical  
16 practitioner's assessment and law enforcement's declarations that the person was taken  
17 into protective custody and that the law enforcement officer has probable cause that the  
18 person possesses, controls or may acquire a dangerous weapon. The judge or justice shall  
19 promptly transmit to the law enforcement officer or agency the decision to endorse or not  
20 endorse. A decision transmitted electronically has the same legal effect and validity as a  
21 signed original. An endorsement must authorize law enforcement to execute the  
22 authority in subsection 4. This section may not be construed to prevent law enforcement  
23 from accepting a voluntary surrender of dangerous weapons.

24 **4. Initial restrictions; notice by law enforcement.** A person whose assessment is  
25 endorsed by a judicial officer under subsection 3 becomes, at the time of notice by a law  
26 enforcement officer under paragraph B, a restricted person subject to initial restrictions  
27 and subject to the prohibitions in Title 15, section 393, subsection 1, paragraphs E-1 and  
28 E-2 as follows:

29 **A. The restricted person, after notice under paragraph B:**

30 (1) Is prohibited from possessing, controlling, acquiring or attempting to possess,  
31 control or acquire a dangerous weapon pending the outcome of a judicial hearing;

32 (2) Shall immediately and temporarily surrender any weapons possessed,  
33 controlled or acquired by the restricted person to a law enforcement officer who  
34 has authority in the jurisdiction in which the weapons are located pending the  
35 outcome of a judicial hearing; and

36 (3) Has a right to a judicial hearing within 14 days of notice under paragraph B;  
37 and

38 **B. A law enforcement officer shall, as soon as practicable, but no later than 24 hours**  
39 **after the judicial endorsement:**

40 (1) Notify the restricted person that the restricted person:

R. 612

- 1                    (a) Is prohibited from possessing, controlling, acquiring or attempting to  
2                    possess, control or acquire a dangerous weapon pending the outcome of a  
3                    judicial hearing;
- 4                    (b) Is required to immediately and temporarily surrender any weapons  
5                    possessed, controlled or acquired by the restricted person to a law  
6                    enforcement officer who has authority in the jurisdiction in which the  
7                    weapons are located pending the outcome of a judicial hearing; and
- 8                    (c) Has a right to a judicial hearing within 14 days of the notice under this  
9                    paragraph;
- 10                  (2) Notify the contact person, if any, disclosed by the restricted person to the  
11                  medical practitioner and the district attorney in the district of the restricted  
12                  person's residence of the person's restricted status; and
- 13                  (3) Report the person's restricted status to the Department of Public Safety.

14                  **5. Temporary surrender to law enforcement.** A law enforcement agency may  
15                  store, or make arrangements with another law enforcement agency or federally licensed  
16                  firearms dealer to store, and care for the weapons surrendered by a restricted person in the  
17                  manner provided in subsection 7. A restricted person who makes all practical, immediate  
18                  efforts to comply with a surrender notice under subsection 4 is not subject to arrest or  
19                  prosecution as a prohibited person under Title 15, section 393, subsection 1, paragraph  
20                  E-1 or E-2. If a law enforcement agency has probable cause to believe the restricted  
21                  person possesses or controls but has not surrendered a weapon, law enforcement may,  
22                  prior to or as part of a judicial hearing, search for and seize such a weapon when  
23                  authorized by a judicially issued warrant or other circumstances approved by law.

24                  **6. Judicial hearing.** A judicial hearing under this section is governed by this  
25                  subsection.

26                  A. Within 5 days of the date of the notice given to a restricted person under  
27                  subsection 4, paragraph B, the district attorney in the district of the restricted person's  
28                  residence shall file a petition for judicial review of the initial restrictions by the  
29                  district court. The district attorney shall provide to the restricted person written  
30                  notice of the petition and hearing at least 7 days prior to the hearing. The restricted  
31                  person has the right to be represented by counsel at the hearing, and the court may  
32                  appoint counsel for an indigent party. Upon a showing of good cause, the court may  
33                  extend the time to hold the hearing.

34                  B. Within 14 days of the notice given under subsection 4, the court shall hold a  
35                  hearing to determine whether to dissolve or extend the initial restrictions. In the  
36                  hearing determining whether to dissolve or extend the initial restrictions, the district  
37                  attorney has the burden to prove by clear and convincing evidence that the restricted  
38                  person presents a likelihood of foreseeable harm.

39                  C. In determining whether there are grounds to extend the initial restrictions, the  
40                  court shall consider all relevant evidence, including, but not limited to, recent threats  
41                  or acts of violence by the restricted person directed toward other persons; recent  
42                  threats or acts of violence by the restricted person directed toward the restricted

R. of S.

1            person; recent acts of unlawful abuse of animals by the restricted person; the reckless  
2            use or threatening display of a dangerous weapon by the restricted person; a history  
3            of the use, attempted use or threatened use of physical force by the restricted person  
4            against other persons; a record of prior custodial events or restrictions under this  
5            section; prior involuntary confinement of the restricted person in a hospital for  
6            persons with psychiatric disabilities; prior protection from abuse and protection from  
7            harassment orders against the restricted person or violations regarding protection  
8            from abuse or protection from harassment by the restricted person; evidence of  
9            stalking behavior, severe obsession or sexual violence by the restricted person; the  
10           illegal use of controlled substances by the restricted person; and evidence of alcohol  
11           or drug abuse by the restricted person. The court shall also consider whether the  
12           restricted person is receiving treatment responsive to that person's mental health or  
13           substance use needs.

14           D. This paragraph governs court orders.

15           (1) If the court finds after hearing that there is not clear and convincing evidence  
16           to continue or extend the initial restrictions, the court shall dissolve the initial  
17           restrictions and order the return of any weapons surrendered or seized. The court  
18           shall direct the Department of Public Safety to remove the record of restrictions  
19           from the department's pertinent database when developed by the department.

20           (2) If the court finds after hearing that there is clear and convincing evidence to  
21           continue or extend the initial restrictions, the court shall inform the restricted  
22           person that the restricted person is prohibited for up to one year from purchasing,  
23           possessing or controlling any dangerous weapon or attempting to purchase,  
24           possess or control any dangerous weapon. The court shall further order the  
25           person to immediately surrender dangerous weapons possessed or controlled by  
26           that person to a law enforcement officer and notify the Department of Public  
27           Safety for entry in the pertinent database when developed by the department.

28           (3) Extended restrictions imposed under this paragraph expire according to the  
29           terms of the court's order. The court shall schedule a hearing within 45 days prior  
30           to the expiration of the order to determine if the order should be extended. The  
31           district attorney has the burden of proving that the restricted person continues to  
32           pose a likelihood of foreseeable harm. If, after a hearing, the court finds by clear  
33           and convincing evidence that the restricted person continues to pose a likelihood  
34           of foreseeable harm, the court shall renew the extended restrictions for up to one  
35           year. If the court does not so find, the court shall deny the petition and order the  
36           return of any weapons surrendered or seized. Upon motion by the State, the court  
37           may for cause shown order that the restricted person be examined for assessment  
38           of whether the restricted person continues to pose a likelihood of foreseeable  
39           harm. The fees or expenses for an assessment pursuant to this subparagraph may  
40           be paid from the Extradition and Prosecution Expenses Account established by  
41           Title 15, section 224-A.

42           (4) A restricted person may file one motion for dissolution during an extended  
43           restriction. For that motion, the restricted person has the burden of proving by  
44           clear and convincing evidence that the restricted person no longer poses a  
45           likelihood of foreseeable harm.

1 (5) A court shall electronically update or transmit to the Department of Public  
2 Safety, Bureau of State Police an abstract of the order issued by the court  
3 pursuant to this section that includes a prohibition on the possession of a  
4 dangerous weapon. The abstract must include the name, date of birth and gender  
5 of the person who is the subject of the order; the court's order and the expiration  
6 date of that order; and a notation that the person has been notified by the court.

7 The abstract required by this subparagraph is confidential and is not a public  
8 record as defined in Title 1, chapter 13; however, the information contained in  
9 the abstract or a copy of the abstract may be provided by the Department of  
10 Public Safety to a criminal justice agency for law enforcement purposes, to the  
11 Federal Bureau of Investigation, National Instant Criminal Background Check  
12 System or to an issuing authority for the purpose of processing concealed firearm  
13 permit applications. The Department of Public Safety shall, when the pertinent  
14 database is developed, request that the Federal Bureau of Investigation ensure  
15 that, immediately after the order expires, the National Instant Criminal  
16 Background Check System no longer reflects that expired order as a ground for  
17 prohibiting the subject of the order from possessing or acquiring a firearm. For  
18 the purposes of this subsection, "criminal justice agency" means a federal, state,  
19 tribal, district, county or local government agency or any subunit of those entities  
20 that performs the administration of criminal justice under a statute or executive  
21 order and that allocates a substantial part of its annual budget to the  
22 administration of criminal justice. Courts and the Department of the Attorney  
23 General are considered criminal justice agencies, as is any equivalent agency at  
24 any level of Canadian government.

25 (6) Nothing in this subsection may be construed to prevent the restricted person,  
26 district attorney and court from accepting a court-ordered disposition to which  
27 each agrees.

28 7. Weapons storage and return. A law enforcement agency may store, or make  
29 arrangements with another law enforcement agency or federally licensed firearms dealer  
30 to store, any weapon surrendered to or seized by law enforcement under this section for  
31 as long as the threat-based restrictions are in effect. The duties and liability of a law  
32 enforcement agency with respect to handling and storage of a weapon surrendered or  
33 seized are governed by Title 25, section 2804-C, subsection 2-C. A weapon surrendered  
34 to or seized by a law enforcement agency must be returned to the restricted person when  
35 the threat-based restrictions expire. If a seized or surrendered weapon remains unclaimed  
36 for 6 months after the expiration or dissolution of threat-based restrictions, the law  
37 enforcement agency may dispose of the weapon consistent with Title 25, section 3503-A.

38 8. Offense. Possession of a dangerous weapon by a restricted person is a Class D  
39 crime.

40 **PART B**

41 **Sec. B-1. 34-B MRSA §3873-A, sub-§5, ¶A-1 is enacted to read:**

9 paragraph C, including a firearm as defined in Title 17-A, section 2, subsection 12-A, for  
10 the duration of the treatment plan. If the court prohibits the patient from possessing a  
11 dangerous weapon, the court shall specify the type of weapon the patient is prohibited  
12 from possessing; notify the patient that possession of such a weapon by the person is  
13 prohibited pursuant to Title 15, section 393; and direct the patient to relinquish, within 24  
14 hours after service of the order on the patient or such earlier time as the court specifies in  
15 the order, such weapons in the possession of the patient to a law enforcement officer for  
16 the duration of the order. The duties and liability of a law enforcement agency with  
17 respect to dangerous weapons surrendered pursuant to this subsection are governed by  
18 Title 25, section 2804-C, subsection 2-C.

19 7-B. Transmission of abstract of court ruling to Department of Public Safety.  
20 Notwithstanding any other provision of this section or section 1207, a court shall

22 order issued by the court pursuant to this section that includes a prohibition on the

29 there is established an Extradition and Prosecution Expenses Account in each

31 district attorney and to be used solely for the purposes of paying the expenses of  
32 extraditing persons charged with or convicted of a crime in this State and who are  
33 fugitives from justice, as defined in section 201, subsection 4, paying fees or expenses of  
34 prosecution pursuant to section 1319 and, paying witness fees pursuant to section 1320

14 weapons received pursuant to an endorsement or court order under Title 34-B, section

4 Amend the bill by relettering or renumbering any nonconsecutive Part letter or  
5 section number to read consecutively.

6 **SUMMARY**

7 This amendment is the minority report.

8 This amendment replaces the bill but retains the purpose of providing an alternative  
9 to law enforcement to take into protective custody and have assessed a person who  
10 presents a likelihood of foreseeable harm to the person or to others.

11 First, it authorizes a law enforcement officer to take a person into protective custody  
12 on probable cause to believe that the person presents a likelihood of foreseeable harm.

13 Second, it provides that the assessments qualify for the same payment of private or  
14 public insurance applicable to assessments under the Maine Revised Statutes, Title 34-B,  
15 section 3863.

16 "Likelihood of foreseeable harm" is defined as a substantial risk in the foreseeable  
17 future of serious physical harm to the person as manifested by recent behaviors or threats  
18 of, or attempts at, suicide or serious self-inflicted harm; or a substantial risk in the  
19 foreseeable future of serious physical harm to other persons as manifested by recent  
20 homicidal or violent behavior or by recent conduct or statements placing others in  
21 reasonable fear of serious physical harm.

22 The law enforcement officer is directed to have the person in protective custody  
23 assessed by a medical practitioner. If the assessment finds that the person presents a  
24 likelihood of foreseeable harm, the law enforcement officer must seek an endorsement  
25 from a judicial officer that the person presents a likelihood of foreseeable harm, which  
26 authorizes law enforcement to notify the person that the person is a restricted person and  
27 is prohibited from possessing, controlling, acquiring or attempting to possess, control or  
28 acquire a dangerous weapon pending the outcome of a judicial hearing. The restricted  
29 person must immediately and temporarily surrender any weapon possessed, controlled or  
30 acquired by the restricted person to a law enforcement officer.

31 A restricted person who makes all practical and immediate efforts to comply with a  
32 surrender notice is not subject to arrest or prosecution as a prohibited person under the  
33 Maine Revised Statutes, Title 15, section 393, subsection 1, paragraph E-1 or E-2. If a  
34 law enforcement agency has probable cause to believe the restricted person possesses or  
35 controls but has not surrendered a weapon, law enforcement may, prior to or as part of a  
36 judicial hearing, search for and seize such a weapon when authorized by a judicially  
37 issued warrant or other circumstances approved by law.

38 The district attorney is required to file a petition for judicial review of the initial  
39 restrictions by the District Court. Within 14 days of the notice of restricted status given

Current biennium cost increase - Highway Fund

### Correctional and Judicial Impact Statements

This bill may increase the number of civil suits filed in the court system.

The additional workload associated with the minimal number of new cases filed in the court system does not require additional funding at this time.

The collection of additional filing fees may increase General Fund and other dedicated revenue by minor amounts.

### Fiscal Detail and Notes

The Department of Public Safety will require a General Fund appropriation and a Highway Fund allocation in fiscal year 2020-21 for programming changes and annual maintenance to create a database to record information related to persons in protective custody who are restricted from access to dangerous weapons. The department will need to work with the vendor to develop and implement the new system. The costs are unknown at this time and no estimate is made.
