This amendment removes the section of the bill that specifies that a special certificate issued pursuant to the Maine Revised Statutes, Title 26, section 666 is not valid; that provision is unnecessary because no employer in the State holds a special certificate to pay an employee with a disability a subminimum wage.

An Act To Amend the Laws Governing the Subminimum Wage

Fiscal Note for Bill as Amended by Committee Amendment

## Fiscal Note

Unused exemption eliminated

### Fiscal Detail and Notes

This bill eliminates the current exemptions from the minimum wage law that allow an employer to pay a wage that is less than the minimum wage to individuals with disabilities. Because no public or private employer currently holds a special certificate authorizing the payment of less than the minimum wage to a person with a mental or physical disability, there is no current fiscal impact associated with eliminating the exemption.
