Amend the bill by striking out all of section 3 and inserting the following:

'Sec. 3. 22 MRSA §2512, sub-§2, ¶Q is enacted to read:

Q. Establish procedures for the disposition of inspected meat, meat products, poultry and poultry products that have been found to be misbranded but not found to be adulterated.'

This amendment strikes the requirement in the bill that the Department of Agriculture, Conservation and Forestry establish procedures for the return to the producer of inspected meat, meat products, poultry or poultry products that have been found to be misbranded but not found to be adulterated and instead requires the department to establish procedures for the disposition of these items.
