13 B. Upon reasonable investigation, nonexempt assets of the business entity of

28 **Sec. D-6. 36 MRSA §185-A** is enacted to read:

29 **§185-A. Setoff of refunds to debts owed to other agencies of the State**

30 **1. Generally.** An agency of the State, including the University of Maine System and

32 liquidated debt greater than \$25, referred to in this section as "the creditor agency," may
33 notify the State Tax Assessor in writing of the identity of the person and the amount of
34 the debt. The assessor shall then set aside, to the extent of that debt, any refund to which
35 the person is entitled under this Title. A liquidated child support debt that the Department
36 of Health and Human Services has contracted to collect, pursuant to Title 19-A, section
37 2103 or 2301, subsection 2, is eligible for setoff pursuant to this section.

2 agency. The hearing must be held in accordance with the Maine Administrative
3 Procedure Act and is limited to the issues of whether the person whose debt was set off is
4 the same person who is indebted to the creditor agency, whether the debt became
5 liquidated and whether any post-liquidation event has affected the liability.

6 **3. Transfer of proceeds.** After providing the notice required by subsection 2, the
7 assessor shall transfer the set-off refund amount to the creditor agency. The assessor
8 shall provide the creditor agency with information sufficient to identify each person
9 whose refund is set off pursuant to this section. If the person is an individual, the
10 information must include the individual's name, last known address and social security
11 number.

12 **4. Finalization of setoff; release of refund to person.** If the person fails to make a
13 timely request for hearing under subsection 2 or a hearing is held before the creditor
14 agency and a liquidated debt is determined to be due to that agency, the setoff is final
15 except as determined by further appeal. The creditor agency shall release to the person
16 any set-off refund amount determined after hearing not to be a liquidated debt due to the
17 agency within 90 days of the determination or as otherwise provided by the agency in an
18 adopted rule.

19 **5. Appeal.** The decision of the creditor agency seeking setoff pursuant to this
20 section as to the existence of a liquidated debt constitutes final agency action appealable
21 under the Maine Administrative Procedure Act.

22 **6. Accounting.** The creditor agency shall credit the account of a person whose
23 refund has been set off with the full amount transferred to the agency by the assessor
24 pursuant to this section.

27 that person as many claims of the agencies as possible in the following order of priority:

28 A. Liquidated child support debts owed to the Department of Health and Human
29 Services;

30 B. Court-ordered restitution obligations;

31 C. Fines and fees owed to any of the courts; and

32 D. All other claims in the order of their receipt by the assessor.

33 **8. Disclosure of information.** In any civil or criminal action in which a fine, order
34 to pay or money judgment is entered in favor of the State or any agency or department of
35 the State, or in any action in which counsel is assigned for an indigent party, the court
36 may require the person so indebted to the State, agency or department, or the party for
37 whom counsel has been assigned, to provide financial information under oath and on such
38 forms as may be prepared by the Judicial Department, together with any other
39 information reasonably related to fulfilling the purposes of this section. In the case of an
40 individual debtor, the required information may include the individual's social security
41 number. The Judicial Department may disclose social security numbers and financial

1 information obtained in accordance with this subsection to agencies or departments of the
2 State and to private collection agencies working under contract for the State for the
3 purpose of collection of the amounts owed. A person who has access to or receives social
4 security numbers or other financial information under this subsection shall maintain the
5 confidentiality of the information and use it only for the purposes for which it was
6 disclosed.

16 process.

17 Part G specifies that the filing due date is the original due date, without regard to any
18 extension, for purposes of calculating the statute of limitations for assessments and
19 income tax refunds. This Part applies retroactively to tax years beginning on or after
20 January 1, 2017.

21 Part H makes changes to the real estate transfer tax imposed by Title 36, chapter
22 711-A, in order to require the filing of real estate transfer tax returns with the State Tax
23 Assessor and the payment of the tax to the State Tax Assessor instead of to the register of
24 deeds for the county in which the real estate being transferred is located. It requires the
25 register of deeds to verify with the State Tax Assessor that the tax liability imposed on the
26 transfer of real property is satisfied before recording the deed transferring the real estate.
27 It directs the State Tax Assessor to prescribe real estate transfer tax returns, removes the
28 statutory requirements to include signatures and taxpayer identification numbers on those
29 forms and clarifies that the value of the real estate transferred must be on the declaration
30 of value.

31 Part H also provides that the State Tax Assessor is required to develop the computer
32 systems infrastructure necessary to implement the changes made by this Part within 4
33 years; the changes made by this Part do not take effect until 90 days after the assessor
34 certifies that the computer systems have been developed.

35 Part I makes the following changes to the credit for major food processing and
36 manufacturing facility expansion.

- 37 1. It clarifies the definition of "qualified investment."
- 38 2. It clarifies the effect of a certificate revocation.
- 39 3. It changes the cumulative credit limit for a single certificate.
- 40 4. It clarifies a certified applicant's reporting requirements.
