3 read:

4 **§1-A. Training**

5 The following provisions govern the training of harbor masters and deputy harbor
6 masters appointed pursuant to section 1 or 2.

7 **1. Basic training course.** A person appointed or reappointed a harbor master or a
8 deputy harbor master after August 31, 2006 must complete a basic harbor master training
9 course offered by a statewide harbor masters association that represents Maine harbor
10 masters within one year after being appointed or reappointed unless that person has

13 reappointed, that person upon appointment or reappointment must complete the basic
14 harbor master training course. A person appointed or reappointed a harbor master or deputy
15 harbor master shall pay the cost of the training required under this subsection, except that
16 the cost of the training may be paid by the municipality at its sole discretion.

17 **1-A. Advanced training course.** A person appointed or reappointed a harbor master
18 or deputy harbor master after January 1, 2022 who has completed the basic training course
19 under subsection 1 shall complete an advanced harbor master training course offered by a
20 statewide harbor masters association that represents Maine harbor masters within 2 years
21 after completing the basic training course under subsection 1.

22 **1-B. Continuing education.** A person appointed or reappointed a harbor master or
23 deputy harbor master who has completed the basic training course under subsection 1 and

26 training requirement of this subsection may be met by completing continuing education
27 training offered by a statewide harbor masters association that represents Maine harbor
28 masters.

29 **2. Reimbursement.** Nothing in this section may be construed to prohibit a
30 municipality, at its sole discretion, from reimbursing a harbor master or deputy harbor
31 master for the cost of training under this section.

32 **3. Additional training.** Nothing in this section may be construed to prohibit a
33 municipality from requiring a harbor master or deputy harbor master to obtain training
34 beyond that required by this section.

35 **SUMMARY**

37 masters. The bill also adds new requirements for advanced training and continuing
