A licensee may not receive a stipend from the Stipend Fund greater than the amount actually raised and spent by the licensee on premiums and gratuities in the classes provided in subsection 5. A licensee may not receive a stipend from the Stipend Fund in excess of $10,000, except that this limitation does not apply to any additional stipend provided for by Title 8, section 287 or to funds distributed from the Fair Fund ~~or~~ in accordance with section 85, the Agricultural Fair Support Fund in accordance with section 91 or the Agricultural Fair Promotion Fund in accordance with section 103.

As used in this section, "eligible nonprofit organization" means a nonprofit organization that is exempt from federal income taxation under Section 501(a) of the United States Internal Revenue Code of 1986 as an organization described by Section 501(c) and that has had, for at least the preceding 25 years, a sole or primary purpose of promoting agricultural fairs in the State.

2. Identification of eligible nonprofit organizations. On January 1st and July 1st of each year, the commissioner shall send a list of all eligible nonprofit organizations to the Treasurer of State.

3. Fund created. The Treasurer of State shall establish an account to be known as "the Agricultural Fair Promotion Fund" and shall credit to it all money received under Title 8, section 1218, subsection 1, paragraph E and Title 8, section 1218, subsection 2, paragraph

E. The fund is a dedicated, nonlapsing fund. All revenues deposited in the fund must be disbursed in accordance with this section.

4. Distribution. On January 31st and July 31st of each year, all amounts credited to the fund established by this section as of the last day of the preceding month and not distributed before that day must be distributed by the Treasurer of State in equal shares to each organization in the State that has been identified by the commissioner as an eligible nonprofit organization under subsection 2.

Sec. 3. 8 MRSA §290, as enacted by PL 1997, c. 528, §46, is amended to read:

Beginning January 30, 1997, the January 30th payment must be adjusted to reflect the dates when live racing was actually conducted during the previous year, not the dates granted.'

2. Rulemaking. The director shall adopt rules regarding the placement, content and use of signs, advertising and marketing to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

§1215. Abnormal wagering activity

1. Duty to report. An operator shall, as soon as practicable, report to the director any information relating to abnormal wagering activity or patterns that may indicate a concern with the integrity of a sports event or any other conduct that corrupts a wagering outcome of a sports event for purposes of financial gain, including match fixing. An operator shall concurrently report that information to the relevant sports governing body.

2. Cooperation efforts. An operator shall use commercially reasonable efforts to cooperate with investigations conducted by sports governing bodies or law enforcement agencies, including but not limited to using commercially reasonable efforts to provide or facilitate the provision of wagering information.

3. Information confidentiality. The director and operators shall maintain the confidentiality of information provided by a sports governing body for purposes of investigating or preventing the conduct described in this section, unless disclosure is otherwise required by the director or by law, or unless the sports governing body consents to disclosure.

4. Information use and disclosure. With respect to any information provided by an operator to a sports governing body relating to conduct described in this section, a sports governing body:

A. May use such information only for integrity-monitoring purposes and may not use the information for any commercial or other purpose; and

B. Shall maintain the confidentiality of the information, unless disclosure is otherwise required by the director or by law, or unless the operator consents to disclosure, except that the sports governing body may make disclosures necessary to conduct and resolve integrity-related investigations and may publicly disclose such information if required by the sports governing body's integrity policies or if determined by the sports governing body in its reasonable judgment to be necessary to maintain the actual or perceived integrity of its sports events. Prior to any public disclosure that would identify the operator by name, the sports governing body shall provide that operator with notice of the disclosure and an opportunity to object to the disclosure.

§1216. Security, maintenance and sharing of wagering records

1. Records maintenance. An operator shall maintain records of all wagers placed, including personally identifiable information of the person placing the wager, amount and type of wager, time the wager was placed, location of the wager, including the Internet protocol address if applicable, the outcome of the wager and instances of abnormal

wagering activity for 3 years after the sports event occurs, as well as video recordings in the case of in-person wagers, for at least one year after the sports event occurs and shall make that data available for inspection upon request of the director or as required by court order.

2. Anonymized information. An operator shall use commercially reasonable efforts to maintain, in real time and at the account level, anonymized information regarding a person who places a wager and the amount and type of the wager, the time the wager was placed, the location of the wager, including the Internet protocol address if applicable, the outcome of the wager and records of abnormal wagering activity. The director may request that information in the form and manner required by rule. Nothing in this subsection requires an operator to provide any information that is prohibited by federal or state law, including without limitation laws and rules relating to privacy and personally identifiable information.

3. Records monitoring. If a sports governing body has notified the director that access to the information described in subsection 2 for wagers placed on sports events of that sports governing body is necessary to monitor the integrity of that sports governing body's sports events, and the sports governing body represents to the director that it specifically uses that data for the purpose of monitoring the integrity of sports events of that sports governing body, then an operator shall share, in a commercially reasonable frequency, form and manner, with the sports governing body or its designee the same information the operator is required to maintain under subsection 2 with respect to sports wagers on sports events of that sports governing body. A sports governing body and its designee may use information received under this subsection only for integrity-monitoring purposes and may not use information received under this subsection for any commercial or other purpose. Nothing in this subsection requires an operator to provide any information if prohibited by federal or state law, including without limitation laws and rules relating to privacy and personally identifiable information.

4. Security. An operator shall use commercially reasonable methods to maintain the security of wagering data, customer data and other confidential information from unauthorized access and dissemination. Nothing in this chapter precludes the use of Internet-based or so-called cloud-based hosting of that data and information or disclosure as required by law.

C. The amount of the outstanding child support debt; and

D. Any other information necessary to effectuate the purposes of this section.

4. Electronic access to information; procedures. A licensee shall electronically access the registry in accordance with this subsection.

B. Upon receipt of information pursuant to paragraph A, the registry operator shall electronically inform the licensee whether the winner is listed in the registry. If the winner is listed in the registry, the registry operator shall inform the licensee of the amount of the winner's outstanding child support debt and the account number or identifier assigned to the outstanding child support debt and shall provide the licensee with a notice of withholding that informs the winner of the right to an administrative hearing.

C. If the registry operator informs the licensee that the winner is not listed in the registry or if the licensee is unable to obtain information from the registry operator on a real-time basis after attempting in good faith to do so, the licensee may make payment to the winner.

D. If the registry operator informs the licensee that the winner is listed in the registry, the licensee may not make payment to the winner unless the amount of the payout exceeds the amount of outstanding child support debt, in which case the licensee may make payment to the winner of the amount of winnings that is in excess of the amount of the winner's outstanding child support debt.

5. Lien against winnings. If the registry operator informs a licensee pursuant to this section that a winner is listed in the registry, the department has a valid lien upon and claim of lien against the winnings in the amount of the winner's outstanding child support debt.

6. Withholding of winnings. The licensee shall withhold from any winnings an amount equal to the amount of the lien created under subsection 5 and shall provide a notice of withholding to the winner. Within 7 days after withholding an amount pursuant to this subsection, the licensee shall transmit the amount withheld to the department together with a report of the name, address and social security number of the winner, the account number

or identifier assigned to the debt, the amount withheld, the date of withholding and the name and location of the licensee.

7. Licensee costs. Notwithstanding subsection 6, the licensee may retain $10 from an amount withheld pursuant to this section to cover the cost of the licensee's compliance with this section.

8. Administrative hearing. A winner from whom an amount was withheld pursuant to this section has the right, within 15 days of receipt of the notice of withholding, to request from the department an administrative hearing. The hearing is limited to questions of whether the debt is liquidated and whether any postliquidation events have affected the winner's liability. The administrative hearing decision constitutes final agency action.

9. Authorization to provide information. Notwithstanding any provision of law to the contrary, the licensee may provide to the department or registry operator any information necessary to effectuate the intent of this section. The department or registry operator may provide to the licensee any information necessary to effectuate the intent of this section.

10. Confidentiality of information. An employee or prior employee of the department, the registry operator or a licensee who knowingly or intentionally discloses any such information commits a civil violation for which a fine not to exceed $1,000 may be adjudged.

11. Effect of compliance; noncompliance. A licensee, the department and the registry operator are not liable for any action taken in good faith to comply with this section. A licensee who fails to make a good faith effort to obtain information from the registry operator or who fails to withhold and transmit the amount of the lien created under subsection 5 is liable to the department for the greater of $500 and the amount the person was required to withhold and transmit to the department under this section, together with costs, interest and reasonable attorney's fees.

SUMMARY

This amendment, which is the majority report of the committee, makes the following changes to the bill.

1. It increases from $20,000 to $100,000 the 2-year initial and renewal fees for a mobile sports wagering license.

2. It removes the authorization for a qualified gaming entity, defined in the bill as an entity that offers sports wagering through mobile applications or digital platforms in any other jurisdiction in the United States, to obtain a mobile sports wagering license.

3. It clarifies that a wager may be placed on a game or match that is part of a tournament in which a Maine collegiate sports team participates, as long as a Maine collegiate sports team does not participate in that particular game or match.

4. It prohibits by statute, instead of only through rulemaking as in the bill, the use of misleading, deceptive or false sports wagering advertising; the marketing or advertising of sports wagering to persons under 21 years of age; and the placement of signs or other advertisements for sports wagering near public or private schools.

5. It requires facility and mobile operators to report abnormal wagering activity to the Director of the Gambling Control Unit within the Department of Public Safety and to the relevant sports governing body.

6. It imposes statutory records maintenance and data security requirements on facility and mobile operators.

7. Like the bill, it requires a facility sports wagering licensee to remit 10% of the licensee's adjusted gross sports wagering receipts to the State and a mobile sports wagering licensee to remit 16% of the licensee's adjusted gross sports wagering receipts to the State. Also like the bill, it requires one percent of the adjusted gross sports wagering receipts to be deposited in the General Fund for the administrative expenses of the Gambling Control Unit and one percent of the adjusted gross sports wagering receipts to be deposited in the Gambling Addiction Prevention and Treatment Fund. Unlike the bill, it requires 0.55% of the adjusted gross sports wagering receipts to be distributed by the State Harness Racing Commission to entities that conduct live harness racing in the State; 0.55% of the adjusted gross sports wagering receipts to be deposited in the Sire Stakes Fund; and 0.4% of the adjusted gross sports wagering receipts to be deposited in the Agricultural Fair Promotion Fund, which is established in the amendment to provide monetary support to eligible nonprofit organizations that have had, for at least the preceding 25 years, a sole or primary purpose of promoting agricultural fairs in the State. The remaining adjusted gross sports wagering receipts remitted to the State must be deposited in the General Fund.

The amendment also adds an appropriations and allocations section.

The additional workload associated with the minimal number of new cases filed in the court system does not require additional funding at this time.

The collection of additional filing fees may increase General Fund and other dedicated revenue by minor amounts.

Fiscal Detail and Notes

This bill authorizes the Gambling Control Unit (GCU) within the Department of Public Safety to regulate sports wagering in the State and directs that 10% of gross sports wagering facility revenue and 16% of gross sports wagering mobile revenue be credited to the State as follows: 1% to the GCU for administrative expenses; 1% to the Gambling Addiction and Prevention Treatment Fund; 0.55% to the State Harness Racing Commission to be distributed to entities that conduct live harness racing in the State; 0.55% to the Sire Stakes Fund; 0.4% to the Agricultural Fair Promotion Fund established in the bill and the remainder (6.5% of facility wagering and 12.5% of mobile wagering) to the General Fund. Facility and mobile operators will retain the remainder of the gross. Based on assumptions contained in the May 2017, Oxford Economics' "Economic Impact of Legalized Sports Betting" report, using the criteria of moderate availability for in-person sports wagering and convenient availability for mobile wagering, General Fund revenues are estimated to be $2,903,438 in fiscal year 2021-22 and $4,584,375 in fiscal year 2022-23 and Other Special Revenue Funds revenues are estimated to be $896,563 in fiscal year 2021-22 and $1,415,625 in fiscal year 2022-23.

(ACS-343)

This bill includes General Fund appropriations to the Department of Public Safety of $119,350 in fiscal year 2021-22 and $124,668 in fiscal year 2022-23 for one Public Safety Manager II position and associated All Other costs. The bill creates facility sports wagering licenses, mobile sports wagering licenses, supplier licenses, management services licenses and employee occupational licenses. License fees are estimated to generate Other Special Revenue Fund revenue of $296,500 in fiscal year 2021-22 and $2,500 in fiscal year 2022-23. License fee revenue assumes that two casinos will have both facility and mobile sports betting, four off-track betting facilities and one commerical track will have facility betting only, two mobile operators will have mobile licenses, and four Indian tribes will have facility only.

This bill also includes Other Special Revenue Funds allocations to the Department of Health and Human Services of $358,625 in fiscal year 2021-22 and $566,250 in fiscal year 2022-23 to allow expenditure of sports betting revenue. Additional costs to the Department of Public Safety associated with performing criminal history background checks can be absorbed within existing budgeted resources.
