Secretary of the Senate

Presented by Senator CURRY of Waldo.

1 **Emergency preamble.** Whereas, acts and resolves of the Legislature do not
2 become effective until 90 days after adjournment unless enacted as emergencies; and

3 **Whereas,** 2 recent blue ribbon commissions to study emergency medical services
4 established by Public Law 2021, chapter 749 and Resolve 2023, chapter 98, respectively,
5 identified lack of adequate funding as a critical issue facing the emergency medical services
6 system in the State; and

7 **Whereas,** without increased financial support, emergency medical services providers
8 are at risk of closure, leaving areas of the State without adequate access to life-saving
9 emergency services; and

10 **Whereas,** increasing reimbursement rates under the MaineCare program will provide
11 much needed financial relief and will further leverage additional federal funding for
12 emergency medical services in the State; and

13 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
14 the meaning of the Constitution of Maine and require the following legislation as
15 immediately necessary for the preservation of the public peace, health and safety; now,
16 therefore,
