## Fiscal Note

No net fiscal impact

### Fiscal Detail and Notes

The amendment requires the Department of Health and Human Services to seek federal approval to implement a cost-of-living adjustment (COLA) of 1.95% for reimbursement rates for essential support workers as required by Title 26, section 7402. Because General Fund appropriations and associated Federal Expenditure Funds allocations to implement a 1.95% COLA for reimbursement rates for essential support workers effective January 1, 2025 were included in Public Law 2023, chapter 17, no net fiscal impact is expected.
