HH. Stores with more than 5,000 square feet of interior customer selling space that engage in retail sales and that do not require, as a condition of employment, that their employees work on Sundays. If an employer decreases the average weekly work hours of an employee who has declined to work on Sundays, it is prima facie evidence that the employer has required Sunday work as a condition of employment in violation of this section, unless the employer and employee agreed that the employee would work on Sundays when the employee was initially hired. In no event, however, may any store having more than 5,000 square feet of interior customer selling space be open on Easter Day, Thanksgiving Day and Christmas Day, except that a grocery store as defined in Title 22, section 2491, subsection 7-B that has no more than 10,000 square feet of interior customer selling space may be open on Thanksgiving Day.

Minor revenue decrease - General Fund

Minor revenue decrease - Other Special Revenue Funds

Correctional and Judicial Impact Statements

There may be some minor reduction of workload associated with the minimal number of cases that will no longer be filed in the court system. Reductions in the collection of fines will decrease General Fund or other dedicated revenue by minor amounts.
