Fiscal Detail and Notes

This amendment would remove the emergency preamble. If this bill is enacted without the emergency preamble and the Legislature adjourns the First Regular Session after March 31, 2025, the initiatives affecting fiscal year 2024-25 will not become effective in fiscal year 2024-25 regardless of when the bill is enacted. Similarly, removing the emergency preamble could delay the availability of funding provided in the bill for fiscal year 2025-26 but will not affect overall funding levels provided for each year of the biennium.
