### HOUSE OF REPRESENTATIVES

### 132ND LEGISLATURE

### FIRST SPECIAL SESSION

COMMITTEE AMENDMENT "A" to H.P. 701, L.D. 1079, "An Act to Provide Comprehensive Perimenopause and Menopause Education"

Amend the bill by striking out everything after the enacting clause and inserting the following:

'Sec. 1. 22 MRSA c. 279 is enacted to read:

#### CHAPTER 279

#### PERIMENOPAUSE AND MENOPAUSE EDUCATION

##### §1700-F. Perimenopause and menopause education materials

The department shall enter into partnerships with health care providers, including obstetricians, gynecologists, primary care providers, nurse practitioners and physician assistants, and community-based health care programs and hospitals to create and disseminate informational materials in electronic and physical form to educate menstruating persons and all individuals on the symptoms and processes of and other issues surrounding perimenopause and menopause. The informational materials must include symptoms of and treatments for perimenopause and menopause, symptoms of perimenopause and menopause for which a person should contact a health care provider, the biological process behind perimenopause and menopause, how to talk to family and friends about perimenopause and menopause and any other information the department determines necessary to prepare and educate individuals regarding perimenopause and menopause.

Sec. 2. Appropriations and allocations. The following appropriations and allocations are made.

HEALTH AND HUMAN SERVICES, DEPARTMENT OF

Maine Center for Disease Control and Prevention 0143

## COMMITTEE AMENDMENT

Initiative: Provides funding to create and disseminate informational materials on issues surrounding perimenopause and menopause.

GENERAL FUND	2025-26	2026-27
All Other	\$20,000	\$20,000
GENERAL FUND TOTAL	\$20,000	\$20,000

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

### SUMMARY

This amendment broadens the scope of the creation of perimenopause and menopause educational materials in the bill. It adds primary care providers, nurse practitioners and physician assistants to the list of medical professionals that are specified to be included in the partnerships with the Department of Health and Human Services. It requires that all individuals be the target of educational materials rather than only menstruating persons. It requires the materials to be disseminated as well as created. The amendment changes the allocation of the chapter from the Part of the Maine Revised Statutes, Title 22 concerning hospitals and medical care into the Part concerning public health. The amendment also adds an appropriations and allocations section.
