1 Be it enacted by the People of the State of Maine as follows:

2 Sec. 1. 22 MRSA c. 279 is enacted to read:

3 **CHAPTER 279**

4 **MAINE HEALTH CARE EDUCATION TRAINING AND MEDICAL**  
5 **RESIDENCY FUND**

6 **§1700-F. Maine Health Care Education Training and Medical Residency Fund**

7 **1. Definitions.** As used in this section, unless the context otherwise indicates, the  
8 following terms have the following meanings.

9 A. "Earn as you learn program" means a program in which a student or learner is  
10 employed and is paid for learning specific skills and expertise for a particular role.

11 B. "Rural" means, with regard to areas in the State, the areas that are designated as  
12 health professional shortage areas or medically underserved areas or that contain a  
13 medically underserved population as defined by the federal Department of Health and  
14 Human Services, Health Resources and Services Administration.

15 **2. Fund established.** The Maine Health Care Education Training and Medical  
16 Residency Fund, referred to in this chapter as "the fund," is established within the  
17 department as a dedicated, nonlapsing account to support health care in rural and  
18 underserved communities and physician workforce development.

19 **3. Fund sources and administration.** The fund consists of appropriations, allocations  
20 and contributions from public and private sources. The department may apply for federal  
21 and private grant funding for the purposes of this section. Money received by the  
22 department on behalf of the fund must be used for the purposes of this section. The fund  
23 must be maintained and administered by the department. Any unexpended balance in the  
24 fund carries forward for continued use under this section, except for federal funds that must  
25 be expended according to guidelines issued by the Federal Government governing the use  
26 of those funds.

27 **4. Use of fund.** The department shall make distributions from the fund to programs  
28 based in the State to support the following purposes:

29 A. Expanding rural primary care clinical rotations for 3rd-year medical students to  
30 support long-term professional health care practice in the rural parts of the State;

31 B. Expanding rural primary care clinical rotations for 4th-year medical students to  
32 support long-term professional health care practice in the rural parts of the State;

33 C. Expanding rural residency positions and rotations for medical students in the State;

34 D. Establishing and expanding clinical preceptorships in rural and underserved  
35 communities, including the costs of preceptor recruiting, training and compensation for  
36 preceptor time and the costs of travel and housing for medical students in rural  
37 rotations;

38 E. Supporting programs that seek to develop local health care education leaders for the  
39 purpose of expanding clinical rotations, residencies and preceptorships;

F. Providing competitive grants through a program designed by the department for innovative solutions, technological advancements and earn as you learn programs to support and expand clinical education, training and placements for clinical health care roles. The department shall consult with experts in the field of health care in designing the grant program; and

G. Supporting electronic platforms used to make clinical health care placements.

**5. Rules.** The department may adopt rules to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

**Sec. 2. Appropriations and allocations.** The following appropriations and allocations are made.

**HEALTH AND HUMAN SERVICES, DEPARTMENT OF**
