Sec. 1. Military medical corps personnel licensure as emergency medical services persons. Resolved: That the Department of Public Safety, Maine Emergency Medical Services shall establish procedures through rulemaking to allow an individual who served on active duty in the medical corps of any branch of the Armed Forces of the United States to become eligible for licensure as an emergency medical services person, as defined in the Maine Revised Statutes, Title 32, section 83, subsection 12. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

Sec. 2. Report. Resolved: That, no later than December 3, 2025, the Department of Public Safety, Maine Emergency Medical Services shall submit a report to the Joint Standing Committee on Criminal Justice and Public Safety on the establishment of the procedures under section 1.

SUMMARY

This resolve directs the Department of Public Safety, Maine Emergency Medical Services to establish procedures to allow an individual who served on active duty in the medical corps of any branch of the Armed Forces of the United States to become eligible for licensure as an emergency medical services person and directs the department to submit a report on the establishment of those procedures to the Joint Standing Committee on Criminal Justice and Public Safety no later than December 3, 2025.
