Fiscal Detail and Notes

This bill includes a General Fund appropriation of \$150,000 in fiscal year 2026-27 to the University of Maine System to support the first year of a 2-year Working Waterfront Infrastructure Engineer Corps Pilot Program established to provide expertise in engineering, planning and permitting to restore and protect the State's working waterfront and other vulnerable infrastructure. The University of Maine System will require an additional General Fund appropriation of \$150,000 in fiscal year 2027-28 to support the second year of the pilot program.

Additional costs to the Maine Commission for Community Service, the Maine Community College System, the University of Maine System and Maine Maritime Academy to collaborate to conduct the feasibility study can be absorbed within existing budgeted resources.
