COMMITTEE AMENDMENT

COMMITTEE AMENDMENT "A" to H.P. 1002, L.D. 1517

1 in a question before the voters to go into effect. Current law requires that the total number
 2 of votes cast for and against the question equal or exceed 30% of the total votes cast in the
 3 municipality in the last gubernatorial election. The amendment requires instead that the
 4 number of votes cast in favor of the question exceed 15% of the total votes cast in the
 5 municipality in the last gubernatorial election. Also, while the amendment does not change
 6 the requirement that a majority of votes cast for and against the proposed change be in favor
 7 of it in order for that change to go into effect, the amendment clarifies that blank votes are
 8 not counted in that calculation.
