9           The Ferry Oversight Committee, established in Title 5, section 12004-J, subsection 22  
10 and referred to in this section as "the committee," is an independent committee and shall  
11 provide continuous oversight of ferry operations and serve as a legislative mechanism for  
12 ensuring accountability and transparency around key decisions that affect unbridged island  
13 communities.

14       **1. Membership.** The committee consists of 10 members appointed as follows:

15       A. One member of the Senate who serves on the joint standing committee of the  
16 Legislature having jurisdiction over transportation matters, appointed by the President  
17 of the Senate;

19 committee of the Legislature having jurisdiction over transportation matters, appointed

22 whom represents an island municipality or plantation served by the Maine State Ferry  
23 Service, appointed by the chair of the Maine State Ferry Advisory Board;

24       D. Two members who are not members of the Maine State Ferry Advisory Board  
25 under chapter 411, each of whom represents an island municipality or plantation served

38 at least quarterly. A majority of the members constitutes a quorum.

39       **5. Duties.** The committee shall:

A. Review proposals submitted by the Department of Transportation related to ferry operations, including berthing changes. The committee shall submit a report of a review under this paragraph to the joint standing committee of the Legislature having jurisdiction over transportation matters; and

B. Examine the effects of changes in ferry services on student access to education, emergency service response, service reliability and the economic vitality of island communities and submit a report by December 31st of each year to the joint standing committee of the Legislature having jurisdiction over transportation matters with findings and recommendations.

**Sec. 3. Staggered terms.** Notwithstanding the Maine Revised Statutes, Title 23, section 4408, subsection 2, of the initial non-Legislator appointments to the Ferry Oversight Committee, 4 members must be appointed to one-year terms and 4 members to 2-year terms.
