DAREK M. GRANT  
Secretary of the Senate

Presented by Senator BENNETT of Oxford.  
Cosponsored by Representative RIELLY of Westbrook and  
Senators: BERNARD of Aroostook, HICKMAN of Kennebec, Representatives:  
COLLAMORE of Pittsfield, DAIGLE of Fort Kent, FAULKINGHAM of Winter Harbor,  
OSHER of Orono, PLUECKER of Warren, WADSWORTH of Hiram.

1 Be it enacted by the People of the State of Maine as follows:

2 Sec. 1. 10 MRSA §1023-Q is enacted to read:

3 **§1023-Q. Improvements to Logging and Fishing Enterprises Loan Program**

4 **1. Definitions.** As used in this section, unless the context otherwise indicates, the  
5 following terms have the following meanings.

6 A. "Fishing enterprise" means any enterprise directly or indirectly concerned with the  
7 commercial harvest of wild or aquacultured marine organisms whose primary source  
8 of income is derived from such harvesting. "Fishing enterprise" includes licensed  
9 persons who fish commercially, aquaculturists and cooperatives for persons who fish  
10 commercially.

11 B. "Fund" means the Improvements to Logging and Fishing Enterprises Loan Fund.

12 C. "Logging enterprise" means a person who qualifies as an independent contractor  
13 under Title 26, section 1043, subsection 11, paragraph E and who is engaged in  
14 harvesting or hauling trees from forest land for a forest landowner.

15 **2. Program authorized.** In accordance with this section, the authority shall establish  
16 and oversee the Improvements to Logging and Fishing Enterprises Loan Program to  
17 increase the availability of capital by financing loans to a logging enterprise or fishing  
18 enterprise.

19 **3. Improvements to Logging and Fishing Enterprises Loan Fund.** The  
20 Improvements to Logging and Fishing Enterprises Loan Fund is established. Deposits to  
21 the fund must be made to and maintained by the authority. Any money credited to the fund  
22 from the issuance of bonds on behalf of the State may be used to finance loans only to an  
23 eligible logging enterprise or fishing enterprise for the purposes set forth in subsection 4.  
24 Repayment of these loans and interest on these loans must be credited to the fund. Interest  
25 earned on money in the fund and interest earned on loans made from the fund may be used  
26 to pay the administrative costs of processing loan applications and servicing and  
27 administering the fund and loans.

28 **4. Purposes of loans.** A loan under this section may be made only for the following  
29 purposes:

30 A. To provide assistance to an existing logging enterprise or fishing enterprise in this  
31 State for the purchase of capital equipment used in commercial harvesting;

32 B. For the purchase of new or used equipment used in commercial harvesting in  
33 connection with an existing logging enterprise or fishing enterprise;

34 C. For refinancing existing loans used to finance eligible uses as described in this  
35 subsection; or

36 D. If the authority approves at the time of loan insurance commitment, to pledge money  
37 in the fund as security for, and to apply money in the fund to, payment of principal,  
38 interest and other amounts due on any term loans insured by the authority to an eligible  
39 logging enterprise or fishing enterprise.

40 **5. Conditions.** Logging enterprise and fishing enterprise loans are subject to the  
41 following conditions.

A. A loan for any project under this section, the total cost of which exceeds \$200,000, may not exceed 90% of the total cost of the project. A loan from the fund may not be provided for such a project unless the applicant demonstrates a commitment of private funds of at least 5% of the total cost of the project; except that, in order to encourage the undertaking of cooperative projects by 2 or more logging enterprises or fishing enterprises, a loan may not be provided unless the cooperating logging enterprises or fishing enterprises as a group demonstrate a commitment of private funds of at least 5% of the total cost of the project.

B. A loan for any project under this section, the total cost of which is \$200,000 or less, may not exceed 90% of the total cost of the project.

C. A loan must be at the interest rate established pursuant to subsection 6.

**6. Interest rate.** The interest rate for loans under this section is the federal prime rate on the date of loan commitment but may not be greater than 2%. A loan current on the effective date of this subsection may be refinanced at the borrower's request to an interest rate of the federal prime rate but not greater than 2%.

**7. Administrative costs.** The authority may charge the fund for its reasonable administrative costs, not to exceed 1% annually of the fund balance, for administration of the fund.

**8. Report.** The authority shall submit an annual report on or before March 1st to the joint standing committees of the Legislature having jurisdiction over logging and fishing enterprise matters. The report must include a summary of loans made under this section during the previous fiscal year and loans outstanding categorized by the types of enterprises receiving the loans. The report must address the effectiveness of the program. Effectiveness measures may include, but are not limited to, evaluation of the number of logging enterprises or fishing enterprises retained, expanded or created; the increase in the number of jobs created or retained; any increased business revenues and new capital raised; improved wages paid to employees; and any new capital investment and increase in profitability.

**9. Rules.** The authority may adopt rules as necessary to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

## SUMMARY

This bill establishes the Improvements to Logging and Fishing Enterprises Loan Program within the Finance Authority of Maine to increase the availability of capital by financing loans to logging and fishing enterprises in this State. The interest rate for loans made under the program may not exceed 2%.
