# 132nd MAINE LEGISLATURE

## FIRST SPECIAL SESSION-2025

---

Legislative Document

No. 1738

H.P. 1156

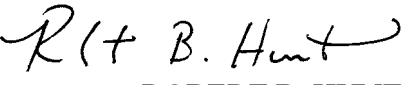

House of Representatives, April 22, 2025

---

**An Act to Establish the Biohazard Waste Disposal Grant Program  
to Support Public Health Efforts in the State**

---

Reference to the Committee on Health and Human Services suggested and ordered printed.

  
ROBERT B. HUNT  
Clerk

Presented by Representative RANA of Bangor.  
Cosponsored by Senator INGWERSEN of York and  
Representatives: DAIGLE of Fort Kent, DEBRITO of Waterville, GRAHAM of North  
Yarmouth, MCCABE of Lewiston, SHAGOURY of Hallowell, ZAGER of Portland, Senator:  
MOORE of Washington.

1 Be it enacted by the People of the State of Maine as follows:

2 Sec. 1. 22 MRSA c. 252-A, headnote is amended to read:

3 CHAPTER 252-A

4 **HYPODERMIC APPARATUS EXCHANGE PROGRAMS AND BIOHAZARD**  
5 **WASTE DISPOSAL GRANT PROGRAM**

6 Sec. 2. 22 MRSA §1342 is enacted to read:

7 **§1342. Biohazard Waste Disposal Grant Program**

8 **1. Grant program established.** The Biohazard Waste Disposal Grant Program,  
9 referred to in this section as "the program," is established to fund hypodermic apparatus  
10 mitigation and collection efforts in community settings. The Maine Center for Disease  
11 Control and Prevention, referred to in this section as "the center," shall administer the  
12 program, subject to available funding resources. The center may hire staff to oversee and  
13 manage the program, including but not limited to: data collection, building community  
14 partnerships or coalitions and developing public education campaigns related to the  
15 program. Subject to available funding resources, the center shall dispense funds on a  
16 quarterly basis to selected applicants.

17 **2. Eligibility.** The center shall make grants under the program available to:

18 A. Community-based organizations, including hypodermic apparatus exchange  
19 programs certified pursuant to section 1341; and

20 B. Municipalities, including municipal health departments.

21 **3. Application process.** The center shall develop an application process for the  
22 program that includes, but is not limited to:

23 A. Criteria to demonstrate community need;

24 B. A narrative description of the proposed project, including goals and objectives, as  
25 determined by the office; and

26 C. Budgetary requirements, projected outcomes and a data collection plan.

27 **4. Funding prioritization.** The center shall give funding priority to applications that  
28 involve one or more of the following:

29 A. Addressing geographic areas with a documented increase in calls for service  
30 regarding improperly discarded hypodermic apparatuses;

31 B. A demonstrated collaborative approach involving community stakeholders; and

32 C. Innovative or evidence-based strategies to increase access to biohazard waste  
33 disposal programming.

34 **5. Use of funds.** Grant funds must be used:

35 A. To purchase and install disposal boxes suitable for indoor and outdoor use in  
36 locations strategically identified to maximize use and reduce biohazard exposure risk;

B. For appropriate permanent disposal of collected hypodermic apparatuses by an in-state facility in good standing with the Department of Environmental Protection and applicable compliance-related standards or certifications;

C. To hire and train staff of the grantee to collect and dispose of improperly discarded hypodermic apparatuses; and

D. For other innovative or evidence-based strategies designed to mitigate and prevent improper disposal of hypodermic apparatuses.

**6. Annual report.** The center shall submit a report annually to the Legislature summarizing grant program outcomes, including recommendations for improvements or additional funding needs. The reporting period begins on November 1st and ends on October 31st. The report may be included in the report under section 1341, subsection 3 or submitted at the same time annually.

## SUMMARY

This bill establishes the Biohazard Waste Disposal Grant Program within the Department of Health and Human Services, Maine Center for Disease Control and Prevention.

The purpose of the program is to disseminate grant funds to community organizations seeking to develop or enhance community hypodermic apparatus mitigation and disposal efforts. The center is required to establish grant guidelines and selection requirements, as well as to submit an annual report to the Legislature.
