feasibility studies and the promotion of collaborative regional efforts relating to the collection and transportation of solid waste.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

SUMMARY

This amendment replaces the bill and changes the title. It amends eligibility criteria for grants under the Maine Solid Waste Diversion Grant Program established in the Maine Revised Statutes, Title 38, section 2201-B to authorize disbursement of grants to public and regional entities to cover necessary costs incidental to or associated with the implementation of a proposed program, project, initiative or activity, including, but not limited to, the hiring of or contracting with consultants or specialists, the conducting of feasibility studies and the promotion of collaborative regional efforts relating to the collection and transportation of solid waste. It also expands grant eligibility to public or private entities for programs, projects, initiatives or activities relating to the collection and transportation of waste that is diverted from disposal.
