#### 14 §75. Prehearing procedures

1 2

15 **I. Initiation of proceedings.** Commission proceedings may be initiated by oral or 16 written complaint alleging facts that, if true, would be grounds for discipline. Commission 17 proceedings may also be initiated by the commission's own motion when the commission 18 receives reasonable information, including reports in the news media, regarding conduct 19 that would be grounds for discipline. Upon receipt of such a complaint or approval of the 20 commission's own motion, the commission shall conduct a prompt inquiry, investigation 21 and evaluation.

22 2. Notice. The commission shall promptly notify the judge of the proceedings and the
 23 subject matter of any complaint received or motion approved under subsection 1 regarding
 24 the judge unless one of the following is true:

A. The commission determines that, due to the nature of the allegations supporting the complaint or motion, delay is necessary to preserve evidence. Notice may be delayed by the commission under this paragraph until the evidence to be preserved is obtained, the proceedings are dismissed or a sworn complaint or statement of allegations is served on the judge pursuant to subsection 7; or

30 B. The commission determines that the identity of the complainant can be readily 31 determined by the judge and there is a danger of reprisal against the complainant. 32 Notice may be delayed by the commission under this paragraph until the danger of 33 reprisal ends, the proceedings are dismissed or a sworn complaint or statement of 34 allegations is served on the judge pursuant to subsection 7. If the commission 35 determines that there is an ongoing danger of reprisal, the notice provided under this 36 subsection and the sworn complaint or statement of allegations served under subsection 37 7 may be drafted in a manner that conceals the identity of the complainant.

38 3. Screening. The commission shall discourage and promptly dismiss complaints that
 39 the commission determines are frivolous, unfounded or not within the commission's
 40 jurisdiction. The commission shall notify the judge and the complainant, if any, of the
 41 dismissal and of the reason for the dismissal.

42 <u>4. Subpoena power; oaths.</u> At any stage of the proceeding, the commission may,
 43 within the time limits established by the commission by rule, compel by subpoena the
 44 attendance and testimony of witnesses, including the judge who is the subject of the

proceeding, and the inspection or production of documents, books, accounts, written or
 electronically recorded statements and other records; administer oaths; and examine any
 person under oath.

5. Evaluation; decision to proceed. After conducting a thorough inquiry,
 investigation and evaluation, the executive director shall recommend to the commission
 and the commission shall decide by majority vote whether there is adequate reason to
 proceed to the preparation of a detailed complaint or statement of allegations.

8 6. Detailed complaint or statement of allegations. If a majority of the commission 9 votes in favor of proceeding to the preparation of a detailed complaint or statement of 10 allegations, the commission shall request that the complainant file with the commission a detailed, sworn complaint against the judge. If a sworn complaint cannot be obtained, the 11 12 executive director shall prepare a detailed statement of the allegations against the judge. 13 The detailed complaint or statement of allegations must clearly set forth each alleged action 14 or omission that constitutes grounds for discipline, the facts alleged in support of the 15 allegation and each provision of law, the Maine Code of Judicial Conduct or the Maine Rules of Professional Conduct allegedly violated. 16

17 7. Service; answer; personal appearance. The judge must be promptly served with
 a copy of the detailed complaint or statement of allegations. Within 21 days after receiving
 the detailed complaint or statement of allegations, the judge shall file a written answer and
 any request for personal appearance with the commission.

21 8. Process prior to formal charges. The judge may be represented by counsel and, 22 within the time limits established by the commission by rule before the issuance of formal 23 charges under subsection 11, may compel by subpoena the attendance and testimony of 24 witnesses through depositions and the inspection or production of documents, books, 25 accounts, written or electronically recorded statements and other records. The judge may 26 file written materials for commission consideration before the issuance of formal charges 27 under subsection 11. If the judge requests a personal appearance before the commission 28 before the issuance of formal charges under subsection 11, the judge's statement and any 29 statement of the judge's counsel must be recorded.

9. Insufficient cause to proceed. If, at any time prior to the issuance of formal charges
 under subsection 11, the commission determines that it lacks sufficient cause to proceed,
 the commission must close the investigation, dismiss the complaint or statement of
 allegations and notify the judge and any complainant in writing that the commission has
 found insufficient cause to proceed. Information obtained by the commission in the course
 of an investigation closed prior to the issuance of formal charges under subsection 11 may
 not be used in a subsequent commission proceeding unless:

- A. The subsequent proceeding involves similar allegations against the judge that
   suggest a pattern of recurring conduct constituting grounds for discipline;
- 39B. The subsequent proceeding involves an allegation that the judge violated the40conditions of an informal adjustment pursuant to section 79 arising out of the closed41investigation; or
- 42 C. Information about the closed investigation is used solely for purposes of 43 determining the appropriate sanction to be imposed in the subsequent proceeding.

1 **10.** Amendment of complaint or statement of allegations; response. Upon notice 2 to the judge, the commission may amend the complaint or statement of allegations prior to 3 the issuance of formal charges under subsection 11. If the complaint or statement of 4 allegations is amended, the judge may, within 21 days after receiving the amended 5 complaint or statement of allegations, amend the judge's written response and, within the 6 time established by the commission by rule, submit additional written material for the 7 commission's consideration pursuant to the procedures set forth in subsection 8.

8 **11.** Issuance of formal charges. After the expiration of the time established by the 9 commission by rule for the judge to submit written materials and personally appear before 10 the commission under subsection 8 in response to a complaint or statement of allegations 11 or an amended complaint or statement of allegations, the commission shall decide whether 12 a preponderance of the credible evidence supports a finding that the judge's conduct 13 constitutes grounds for discipline. If a majority of all commission members votes in favor 14 of a finding of sufficient cause, the commission shall issue formal charges stating the 15 allegations for which sufficient cause is found. A copy of the formal charges must be 16 served promptly on the judge who may, within 10 days after receiving service, file a written 17 response with the commission.

18**12. Appointment of hearing officer.** Immediately after expiration of the 10-day19response period described in subsection 11, the commission shall file a copy of the formal20charges and of any written response by the judge with the Supreme Judicial Court, which21shall promptly appoint a hearing officer.

#### 22 §76. Hearing; recommendations; attorney's fees

1. Notice of hearing. After appointment of a hearing officer under section 75,
 subsection 12, the commission shall schedule the hearing and provide notice of the date
 and time of the hearing to the judge and all counsel who have entered an appearance in the
 proceeding. The hearing must be scheduled without undue delay and in a manner that
 affords the judge ample opportunity to prepare for the hearing.

28 **2.** Amendment of formal charges or response. The hearing officer shall permit the 29 judge to amend the judge's written response to the formal charges within the time limit 30 provided by the commission by rule. After commencement of the hearing, the formal 31 charges may be amended by leave of the hearing officer or with the consent of the judge 32 only if the amendment is technical in nature and the judge is afforded adequate time to 33 prepare a response or provide evidence in response to the amendment.

34 3. Discovery; process. Within the time limits provided by the commission by rule,
 35 the judge and the commission may conduct the same types of discovery available in civil
 36 proceedings in this State. The judge and the commission may, within the time limits
 37 established by the commission by rule, compel by subpoena the attendance and testimony
 38 of witnesses and the inspection or production of documents, books, accounts, written or
 39 electronically recorded statements and other records.

- 40 <u>4. Enforcement of process.</u> The Supreme Judicial Court may enforce subpoenas and
   41 <u>other legal process in commission proceedings under this section and section 75 or may</u>
   42 <u>delegate the power to enforce legal process to another appropriate court.</u>
- 43 5. Procedure and evidence. The hearing officer appointed by the Supreme Judicial
   44 Court under section 75, subsection 12 shall preside at the hearing, which must be open to

the public, recorded and transcribed and conducted so as to provide due process to the judge. All testimony received at the hearing must be under oath. The Maine Rules of Evidence, including all rules governing privilege that are applicable in civil proceedings apply, except that, if the judge raises the judge's own physical or mental condition as a defense to the formal charges, the judge is deemed to have waived any applicable privilege between the judge as a patient and a health care professional or mental health care professional.

6. Burden of proof. The formal charges must be prosecuted by a member of
 commission staff, who must be an attorney, or by special counsel retained by the
 commission for this purpose. The commission bears the burden of demonstrating the
 grounds for discipline by clear and convincing evidence.

12 7. Proposed findings and recommendations; objections. At the conclusion of the 13 hearing, the hearing officer shall submit to the commission and the judge a written 14 statement of proposed findings and recommendations along with a transcript of the 15 testimony and all exhibits presented at the hearing. The judge and counsel for the commission may submit written objections to the hearing officer's findings and 16 17 recommendations within 20 days after receiving a copy of those findings and 18 recommendations. Any objections by the judge or counsel for the commission must be 19 included in the record submitted to the commission.

20 8. Commission hearing and decision. After receipt of the hearing officer's proposed 21 findings and recommendations, the record and any objections, the commission shall 22 conduct a public hearing at which the judge and the complainant, if any, are afforded an 23 opportunity to be heard. Notwithstanding any provision of law to the contrary, the 24 commission shall conduct its deliberations in executive session. If a majority of the 25 commission votes in favor of finding that the grounds for discipline have been 26 demonstrated by clear and convincing evidence and in favor of recommending that a 27 sanction be imposed, the commission shall issue a written decision containing sufficient 28 findings and recommendations to inform the judge and the Supreme Judicial Court of the 29 reasons for reaching its findings and recommendations.

Referral to Supreme Judicial Court. Within 90 days of the date of the 30 9. 31 commission hearing, the commission's written decision under subsection 8 must be 32 transmitted to the Supreme Judicial Court along with the record of the proceedings, which 33 must include the transcript of and evidence presented at the hearing before the hearing 34 officer; the hearing officer's findings and proposed recommendations; any objections by 35 the judge or counsel for the commission to the hearing officer's findings and proposed 36 recommendations; the transcript of the hearing before the commission; and the findings 37 and recommendations of any dissenting members of the commission. The commission 38 may extend the 90-day period for good cause.

10. Dismissal. If a majority of the members of the commission vote in favor of finding
 that the grounds for discipline have not been demonstrated by clear and convincing
 evidence or vote in favor of not recommending the imposition of a sanction, the formal
 charges must be dismissed and the judge and the complainant, if any, must be notified of
 the dismissal by the commission.

Informal adjustment. This section may not be construed to prohibit the
 commission from disposing of the matter by informal adjustment pursuant to section 79 at

1 2	any time prior to submission of the matter to the Supreme Judicial Court under subsection <u>9.</u>
3 4	<b>12. Expenses.</b> The following provisions govern expenses in proceedings under this subchapter.
5 6 7	A. Witnesses are entitled to the same remuneration for fees and expenses as witnesses in civil actions in state court. The party calling the witnesses is responsible for remuneration of the witness unless:
8 9 10	(1) The mental or physical ability of the judge is in issue, in which case the commission is responsible for paying all witnesses, including witnesses called by the judge, whose testimony relates to the judge's mental or physical ability; or
11 12 13	(2) The Supreme Judicial Court determines that the imposition of expert witness fees would cause a financial hardship or injustice on the judge, in which case the commission is responsible for paying those fees.
14 15	B. The judge is entitled to receive, without cost, a transcript of all proceedings under this subchapter.
16 17 18 19 20 21 22	C. Except as provided in this paragraph, the judge is responsible for payment of the judge's attorney's fees. With the approval of the Supreme Judicial Court, the judge is entitled to an award of the judge's reasonable attorney's fees by the State if the matter is dismissed by the commission at any stage after the filing of a detailed complaint or statement of allegations; the Supreme Judicial Court disagrees with a recommendation by the commission to impose discipline; or the Supreme Judicial Court determines that justice would be served by reimbursement of the judge's reasonable attorney's fees.
23	§77. Physical or mental disability affecting judicial performance
24 25 26 27 28 29 30 31	<b>1. Initiation of proceedings.</b> Commission proceedings may be initiated by oral or written complaint containing allegations of mental or physical disability affecting the judge's judicial performance. Commission proceedings may also be initiated by the commission's own motion when the commission receives reasonable information, including reports in the news media, that may be grounds for concluding that the judge has a mental or physical disability affecting the judge's judicial performance. Upon receipt of such a complaint or approval of the commission's own motion, the commission shall conduct a prompt inquiry, investigation and evaluation.
32 33 34 35	2. Provisions of subchapter applicable. The provisions of section 72, subsection 4 and sections 75, 76, 79 and 80 apply, as far as possible, to proceedings involving allegations of a mental or physical disability affecting a judge's judicial performance, except as provided in this subsection.
36 37	A. If the judge denies an allegation of a mental or physical disability affecting the judge's judicial performance:
38 39	(1) The judge is deemed to have waived any applicable privilege between the judge as a patient and a health care professional or mental health care professional;
40 41 42 43	(2) The judge is deemed to have consented to a physical or mental examination by a qualified health care professional designated by the commission. Copies of any report prepared by the designated health care professional must be provided to both the judge and the commission; and

1	(3) The commission shall require the judge to produce all relevant medical records.
2	B. The commission shall reimburse the judge for the reasonable expenses of any
3	witnesses called by the judge whose testimony relates to the judge's alleged mental or
4	physical disability.
5	C. If the judge is not represented by counsel, the commission shall appoint an attorney
6	to represent the judge at public expense.
7	<u>§78. Proceedings involving Supreme Judicial Court Justice</u>
8 9	If a majority of the commission votes in favor of imposing discipline and submits a
9 10	matter to the Supreme Judicial Court under section 76, subsection 9 and the matter involves the conduct of or the physical or mental disability of an Associate Justice of the Supreme
11	Judicial Court, the Associate Justices of the Supreme Judicial Court may not participate in
12	the resolution of the proceeding. The Chief Justice of the Supreme Judicial Court shall
13 14	identify, from among all Justices of the Superior Court and all Judges of the District Court, the 6 judges or justices with the most judicial experience and shall appoint those 6 judges
15	or justices to serve in place of the associate justices.
16	§79. Dismissal; informal adjustment; recommended sanction

19	Judicial Court under section 76, subsection 9.
20 21	2. Informal adjustment. At any time prior to submission of the matter to the Supreme
21	Judicial Court under section 76, subsection 9, the commission may, with the agreement of the judge, terminate the matter and either accept the judge's voluntary retirement or impose

#### **SUMMARY**

11 This bill establishes the Commission on Judicial Conduct, comprised of 3 judicial 12 officers appointed by the Chief Justice of the Supreme Judicial Court, one each from the Superior Court, the District Court and the Probate Court; 3 licensed attorneys appointed by 13 14 the Chief Justice; and 3 members of the public appointed by the Governor. The bill charges 15 the commission with receiving and investigating complaints, conducting hearings and making findings and recommendations to the Supreme Judicial Court concerning 16 17 allegations that an Active or Active Retired Judge or Justice of the Supreme Judicial Court, 18 the Superior Court, the District Court or a county Probate Court has either engaged in 19 actions or omissions that constitute grounds for discipline or has a mental or physical 20 disability affecting the judge's or justice's judicial performance.

The bill also directs the commission to hire an executive director to assist the commission in performing its duties, including by screening complaints and recommending dispositions to the commission; employing counsel, private investigators, hearing officers and other staff; administering the commission's budget; and preparing an annual report to the Chief Justice of the Supreme Judicial Court and the joint standing committee of the Legislature with jurisdiction over judiciary matters.

Finally, the bill authorizes the Supreme Judicial Court to establish an advisory committee with the authority to issue advisory opinions interpreting the Maine Code of Judicial Conduct.
